## \$1 Million Pay Raise Discussed By Schools

### Agreement Reached on Over 30 Articles of GC Teacher Contract

A pay increase package amounting to \$1 million currently is being negotiated by the Granite City school district and officers of Teachers' Federation Local 743.

Francis Joseph Lahey, 63, of 201 Madison avenue, Madison, a local funeral director and vice-president of the First National Bank in Madison, died of a heart ailment at 4:30 p.m. Monday, at St. Elizabeth's Hospital, St. Louis. He had been ill one month and in hospital ten days.

## Francis Lahey, 63, Funeral Director, Civic Leader, Dies

Francis Joseph Lahey, 63, of 201 Madison avenue, Madison, a local funeral director and vice-president of the First National Bank in Madison, died of a heart ailment at 4:30 p.m. Monday, at St. Elizabeth's Hospital, St. Louis. He had been ill one month and in hospital ten days.

Mr. Lahey was a deputy coroner of Madison county. He was a member of the Tri-City Council, Knights of Columbus and the Fourth Degree Assembly, Madison Lions Club, St. Vincent De Paul Society, Fraternal Order of Eagles, local 1286 and Granite City Elks Lodge 1063.

He also held membership in the National Funeral Directors Association, the Illinois Funeral Directors Association, St. Mary's Roman Catholic Church of Madison and Holy Name Society. Several years ago, Mr. Lahey was granted an honorary membership in Venice-Madison American Legion Post 307.

He is survived by his wife, Mrs. Mary Catherine Lahey; and one sister, Mrs. Harry D. Lucy, of Aurora, Ill.

Funeral services were held at 10 a.m. today. Arrangements are being made by the Granite City funeral home.

Unofficial talks took place yesterday between school administrators and teachers.

During approximately 30 negotiation sessions in the weeks and months past, tentative agreement has been worked out on all but four of five of 37 articles of a proposed new agreement, Supt. Johnson said.

There are 20 articles in the present working agreement.

Teacher proposals include: Initial "dollar value" proposal from the federation on March 30 totaling \$83,000 for one year for union teachers. While the federation has agreed to a one-year agreement, the board offered \$75,000 for all teachers for one year.

Since then, several other proposals have been made by both sides. The most recent proposals by the federation are a one-year agreement calling for an overall increase of \$800,000, including any insurance premiums if a (medical-hospital) insurance program is adopted, or a two-year agreement calling for an over-

## Marine James L. Nash Killed In Collision of Helicopters

Marine Pfc James L. (Jim) Nash, a 1954 graduate of Granite City high school, was one of three servicemen killed Monday, when two Marine helicopters collided while practicing landing patterns at El Toro Marine Air Station near Vietnam, Calif. Three other Marines were seriously injured in the crash.

The youth, a son of Mr. and Mrs. Cecil S. Nash, 2589 Spalding avenue, was to have observed his 20th birthday next week. The family moved here from Atlanta, Ga., about nine years ago.

Pfc Nash had enlisted in the Marine Corps on Aug. 31, 1955. At the time of his death, he was completing advance training as a helicopter crew chief specializing in mechanics. He had undergone basic and preliminary training in the same area of California. He had last been home on leave at Christmas.

Footballer at GCHS, College graduate, Pfc Nash attended the local high school, Pfc Nash attended Peru State College, at Peru, Mo., for one year. An outstanding athlete, he had played football and basketball.

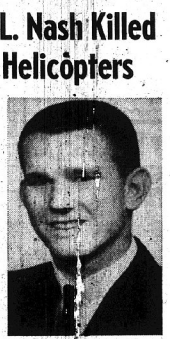

Word was received this week by Mr. and Mrs. Harold Mayfield, 2840 Fortune drive, that their son, Lance Corporal Eddie Joe Hinson, U. S. Marine Corps, sustained ear injuries April 29 when an AM-1C amphibious vehicle struck a mine while enroute in an operational sweep of Da Nang, Vietnam. It was the second time in less than six weeks the 19-year-old Marine has been wounded in action.

A veteran of 12 months combat duty in Vietnam, L/Cpl. Hinson told his parents in a letter dated May 4 that he had been injured by a mine explosion which ruptured the right ear drum and damaged slightly his left ear. He said that he had been observation by a team of physicians at a battalion base camp, where he will remain for a three-week period.

Hinson added that his hearing was considerably impaired in the right ear, but the medical authorities were hopeful for improvement. Should his injury not respond to treatment, he said, the physicians have indicated he will be sent to Okinawa or Tokyo for ear surgery.

Electrically-Operated Mines, which he had been lucky and received no serious injuries.

## Schuler Succeeds Loman As GC Park Board President

Paul Schuler, local druggist, was elected president of the park district board in a reorganization meeting at the park office last night.

Schuler succeeds Barry Loman who took over the presidency of the board in February 1957. The vote was 3-0-1 by written ballot. Loman was not present. He was attending a bankers' meeting.

Other officers were re-elected: Milton Worthen, vice-president; Frank R. Loman, secretary; John Mink, treasurer; Randall Robert, secretary-at-large; and in the appointment, Schuler named a superintendent.

Commissioners serve without pay. The salaries for park district officers, raised this year, are: park superintendent, from \$740 to \$765 per month; treasurer, from \$75 to \$100 per month; secretary, from \$180 to \$210 per month; attorney, from \$150 to \$200 per month.

The board approved an ordinance to raise \$65,000 for the new year. The board also approved the bonds ranging from 3 1/2% to 4 1/2% on one-year bonds.

The tentative budget for the fiscal year was reviewed. The tentative figure is \$278,175 over last year's budget total of \$217,900.

An increase in assessed valuations of \$2 to \$3 million called for lower the rate for the tentative budget board members noted.

Included in the estimated budget is \$14,500 for the purchase of additional park property. The board is now negotiating for the purchase of 11 acres in West Granite.

Board members opened and took under advisement last night bids on a half-ton pickup truck and a 1 1/2-ton dump truck. These vehicles are being added to the park mobile equipment due to the acquisition of park property in areas other than Wilson Park.

## Flashers And Gates Expected In 6 Months

No Objections by RRs At Hearing on Maryville Road Crossing

Automatic gates and flasher warning lights are in sight for the deadly and dangerous Maryville road crossing, and an order for the installation is expected within 30 days, it was reported during Monday's Illinois Commerce Commission hearing at Springfield.

Mrs. Juanita Barnes, chairman of the citizen group which has been campaigning for protection at the crossing since the death of a local mother and daughter there, said the group is well pleased with the hearing and has agreed, she told the Press-Record.

We expect the gates and lights to be installed in six months, and were thrilled that the railroad have agreed, she told the Press-Record.

All are optimistic. The entire delegation of 12 Quad-Cityans who made a trip to the capital expressed optimism upon their return Monday afternoon.

They were joined at Springfield by representatives of the state and county highway departments, the Organization for Community Action, was Randall Robertson, local attorney.

1883 Volcanoes a Day. Evidence brought out the use of the crossing by 1883 vehicles in a given 24 hours. In the same period 55 trains go by—passing at a maximum speed up to 79 miles an hour, and freights at 40 mph.

A recommendation for gates and lights was presented to the commissioners by Harry Sternberg, chairman of the citizen group who met here last month with members of the local citizens' group.

The recommendation also called for improvements to the surface of the crossing and the addition of six-foot shoulders on either side of the roadway.

Immediate action is sought for the installation of the gates and lights, and the roadway improvements may be stalled until the scheduled improvement of Road 203 is carried out by the state highway department.

\$70,000 Cost. Cost of the planning and construction of the improvements has been estimated at \$70,000.

## Prison Term for Man Who Tried to Shoot Policeman

Robert Garner, 23, who raided at 1810 DuPont avenue, was sentenced to a term of one to two years in the state penitentiary at Joliet this week after he pleaded guilty to a charge of attempted murder.

His application for probation was denied. He was charged with the shooting of Jerry Thompson, 23, of Upton, Ky., on Feb. 28, was continued until May 31.

A charge of aggravated battery against Edward Lee Rusick, 34, of Granite City, was reduced to battery, and he was fined \$500. Probation hearings are set Monday for Piller Sigg Jr., 20, and Robert Larry Tidwell, 17, both of Granite City, charged with burglary of the farm home of Charles Klug near East Alton on March 18.

The jury was picked yesterday and a trial was scheduled to start today for Charles Howland, 28, of 1200 Rhodens, charged with burglary at the Armette Pattern shop on Jan. 1.

Trials for Billy Joe Castle and William Howard Hayes, both 23, both of Granite City, charged with aggravated battery, are pending.

## 17 DAYS WITHOUT TRAFFIC DEATH

SIU-SW Campus Dedication Starts Tomorrow

The start of the year-long dedication of the new Southern Illinois University Western campus will begin tomorrow and continue through the weekend with a full schedule of activities.

Featured Friday will be, at 10 a.m., a dedication ceremony with music by the SIU-SW Symphonic Band conducted by C. Dale Fierstad.

The dedication procession is scheduled for 10:30 a.m., followed by posting of colors by the SIU-SW Campus Air Force ROTC and a squad from the Granite City Army Depot at 10:30 a.m.

The invocation will be offered by Rev. John Morris, pastor of St. Cecilia's Catholic Church, Granite City. Individuals on the platform and other guests will be introduced before the address by Dr. Morris.

Scheduled for Friday afternoon is a musical performance by the SIU-SW Symphonic Band and the Granite City Army Depot at 1:30 p.m.

Other special programs are planned throughout the dedication.

## 2 Masked Bandits Rob Drive-In

The armed robbery of a drive-in restaurant and the arrest of two women and a man on kidnapping charges, brought crimes this week in the Quad-City area.

Two masked, armed bandits held up the Burger Chef drive-in restaurant, 2622 East 11th street, at about 11:20 p.m. Monday, escaping with \$478.

Wesley Helms, assistant night manager, reported that one man, wearing a black stocking over his face, was armed with a .38 caliber Smith & Wesson automatic, and the other, holding a white handkerchief over his face, used a .22 caliber blue steel snub revolver.

Helms said he and four employees were forced to lie on the floor while the two went through the cash register and a floor safe. The employees then were forced into the manager's office.

## Area Draft Quota Down for June

A cut in the Quad-Cities' draft quota for June was announced this week at county selective service office in Edwardsville.

Fifteen local youths are to be drafted June 26, compared to 22 who reported for induction this month.

June quotas for pre-draft physical examinations include 22 local men to report on June 3.

The program is under the sponsorship of the Quad-Cities Service Council and the Gasoline Dealers Association of the Tri-Cities, which will conduct the free physical examinations at member stations. Those auto owners whose vehicles pass the 10-point safety check list will be given a bright red safety sticker for horns.

## Quad-City Mayors Urge All to Join In Clean-Up Drive

Quad-City Mayors Donald W. Partney of Granite City, Thomas L. Staloff of Pontoon Beach, Dr. John E. Lee of Venice and Stephen Meers of Madison this week proclaimed May 8-23 as Clean-Up, Paint-Up, Fix-Up time in this community.

Urging 100% participation in the area-wide beautification and betterment program, they jointly asserted, "During the next two weeks every citizen should devote himself fully to the clean-up program—at home, at work, in his neighborhood and wherever worthy projects need manpower."

"By concentrating on beauty and betterment exclusively during this period, we can make the Quad-Cities the best and most attractive area in Illinois."

"For yourself, your family, your friends, and your community, we urge that you Clean-Up, Paint-Up, Fix-Up, Plant Up, Light Up and then Keep It Up," the Mayors said.

After the formal proclamation, the mayors noted that they and other municipal officials and employees are planning to participate privately and publicly in the campaign.

In their official capacity, they will join in the blitz Clean-Up, Paint-Up, Fix-Up events in their respective cities and lead the clean-up program.

The mayors have requested that all city departments conduct a clean office, clean community and clean street and alley campaign and generally cooperate and coordinate their activities with the Clean-Up, Paint-Up, Fix-Up program sponsored by the Tri-Cities Chamber of Commerce.

Gene H. Stenberg, local contractor and chairman of the Chamber's Civic Improvement and Development Committee, is general chairman of the drive.

## Chamber Backs Traffic Engineer And Commission

The Tri-Cities Chamber of Commerce board of directors voted Tuesday night to urge favorable Granite City council consideration of recommendations from the city's traffic commission.

The Chamber also urged retention of City Traffic Engineer George Crawford for the 1966-67 fiscal year.

In recommending council approval of traffic proposals submitted from time to time by the commission, the Chamber board noted that the council has approved one-way street revisions but that they are being delayed by a suit filed by the two Third Ward aldermen and other residents.

The discussion brought out the belief that the public is solidly in favor of revamping Granite City one-way streets to ease auto congestion. No complaints regarding the engineer's plan are being received at the city hall or by the commission, it was noted.

Withdrawal of the suit is being urged as a means of enabling the one-way revision to go into effect promptly. Minor adjustments could be made as needed after the plan is in operation, board members commented.

## City on Outs With State Over Rte 151

Frankness prevailed in debate over the routing of the Great River Road (Federal Aid Route 151) through Granite City during a special meeting of the council Tuesday night, called to hear details from Robert Kronst, district highway engineer.

Fencing and a frontage road proved to be the stumbling blocks, although Kronst offered a compromise which has yet to be acted upon by the council. A majority of the 12 aldermen present indicated they would refuse to sign an agreement with the state for the roadway construction unless the highway is fenced in the city and an east frontage road is provided between West 20th and Cayuga streets.

Kronst said the state did not erect fences except along interstate routes, and that design engineers did not believe the frontage road was needed since cul-de-sacs (turn-arounds) were to be installed. He did said the state would build the frontage road if the city provided the right-of-way which would include three houses and seven other parcels of land.

**Mayor Suggests Appraisals**  
Mayor Partney urged the council not to delay the roadway and recommended the council authorize hiring an appraiser to determine the value of the property involved in the compromise offer. No action was taken.

Aldermen stressed the large amount of fencing along new highways in the area and the dangers in West Granite if the highway was not fenced there. Kronst replied the federal government pays 80% of the cost of the fence along interstate roads, but would give nothing toward fencing along Interstate 151.

Kronst said the construction is scheduled for next year from Penton road south to Niedringhaus avenue but could be delayed because of the lack of agreements with the city and with Illinois Terminal Railroad on an overpass at the year of the A. O. Smith Corp. plant and also the need for 21 pieces of right-of-way.

The agreement with ITR is expected this year, he added. If Granite City refuses to sign an agreement, "we'll just mark time," he said.

**Threats Voiced**  
Several aldermen threatened to block the construction if the state failed to comply with the frontage road and fence. Kronst replied his highway had had limited funds and the \$2,500,000 for Route 151 in this area could be used elsewhere. He stressed the advantages of turn-around saying many sub-divisions are designed with them to prevent through traffic.

Five residents of the area were in the audience. They protested the inadequacy of the turn-arounds, saying they would not provide enough space for larger vehicles to maneuver. Objections to only one outlet from their homes also were raised. They took exception to a remark by Kronst that it was likely that someone would be killed along the highway. The district engineer said the same possibility exists on highways throughout the state.

**27 Area Students Tour St. Elizabeth Hospital**  
St. Elizabeth Hospital entertained 27 students from Granite City, Madison and Venice high schools Tuesday morning during Current Day activities of National Hospital Week.

They received a guided tour and inspected departments of interest to smaller groups. Cookies and soda were served at mid-morning by Sister Amanda, sewing room supervisor, and lunch was served in the library. Arrangements were made by Miss Dolores Clyde, director of education, and a member of the public relations committee.

Building projects totaling more than \$60 million have been completed at Southern Illinois University since 1948 or are currently underway.

## Animal Shelter Board Elects, Hears Reports

Mrs. R. E. Chapman was re-elected chairlady of the Granite City Animal Shelter board at a meeting in the city hall Tuesday night. Mrs. Rosemary Meyer was re-elected treasurer and Miss Nellie Stevens was named to succeed Mrs. Vasil Etimoff as secretary. Mrs. Etimoff gave up the position after eight years in office.

Committees named to serve for the ensuing year include Miss Lucille MacLeod, constitution and by-laws; Mrs. Etimoff, special projects; and Mrs. Meyer, "Be Kind to Animals Week," a National Humane Society project carried out each May.

Mrs. June Karandjoff was introduced as a new member. The board also heard a report on new Illinois rabies laws which become effective June 1, and a report from Albert Young, humane officer, on construction of a new rescue and pickup truck body.

## College Draft Tests To Be Held June 24

The fourth and final test in the current series of the Selective Service college qualification test will be held June 24, according to John H. Hannack, Illinois director of Selective Service.

Any registrant who has not previously taken the test and is not scheduled to take it in the current series may now apply. Applications should be postmarked no later than June 1. Application cards and information bulletins are available and may be obtained at any local board office.

## JA Future Unlimited Banquet Set Wednesday

Junior Achievement of the Mississippi valley region will hold its annual "Future Unlimited" banquet at 6 p.m. Wednesday at the St. Louis Arena. About 200 business and teenage executives will attend. Twenty-one outstanding students will receive \$70,000 in college and cash scholarships. Company of the year awards will be presented. Dr. Nicholas Nyaradi, director of the school of international studies at Bradley University and former Hungarian minister of finance, will be the featured speaker.

**Car Broken Into**  
Otis Medley, 22 Lee Wright Homes, Venice, reported to Venice police at 4:55 a.m. Wednesday that his 1965 two-door mustang was entered. The left front window was broken. Nothing was taken.

**Federal Furniture**  
A special guest was Kiwanis Lt. Gov. Basil Compton of East St. Louis, who congratulated club members on their service to the youth of the community. He also conducted an initiation ceremony for Ted Niciecki, a new member.

Floral arrangements flanked a large decorated birthday cake on the head table. Four charter members, Walter Bulliger, Roy Graham, Piper and Barnes, served the cake to the guests.

**DUAL PURPOSE SIGN**  
For Feder & Huber Furniture store, 1908 State street, installed this week. The 21x10-foot sign not only identifies the store but also lights the main entrance area.

**Shot Accidentally**  
John Pryor, 68, of 302 Selb street, Venice, was wounded in the left leg at 11:30 a.m. Wednesday when a .22 caliber pistol fell to the floor and discharged, according to a report to the Venice police department. Pryor was taken to John Cochran Veterans Hospital, St. Louis, by a friend, William Pearson of the Selb street address. Pryor was reported handling the pistol when he dropped it.

## Col. R. P. Strange Memorial Speaker

Col. Russell P. Strange of the U. S. Air Force and professor of Air Force Aerospace studies, will be the principal speaker Sunday, May 22, at annual Memorial Day Services to be held by the Venice-Madison Post 307 of the American Legion.

The program will be held at the Madison Memorial Center, Seventh street and Lee avenue, following a parade that will begin at 2 p.m. The program will include presentation of "The Star Spangled Banner" by the Madison high school band, invocation by Rev. Michael Stordisley of St. Mary's Greek Church at Madison, introduction of the speaker by Fred Hoserkamp, parade chairman, and placing of wreaths by Mrs. Joyce Austrai, Mrs. Fern Monigie and Mrs. Faye Smith. Selections by the Venice high school band and benediction by Elvis Johnson, Fifth Division chaplain, will end the ceremony.

The parade and ceremony were advanced in date, Hoserkamp said, because many persons will be out of the area during the three-day weekend extending from Saturday, May 28, through Monday, May 30. Col. Strange, a native of Granite City who served 21 years in the Air Force, is now a member of the faculty of the University of Illinois.

## 'Metallic Age' For Americans

Dr. Walter C. Eberhart, professor of physical education and department head at St. Louis University, told Granite City Kiwanians, "The American public is going through the metallic age—gold in the teeth, silver in the hair and lead in the shoes." He used the phrase to emphasize the great need for a vast number of Americans to indulge in some form of physical exercise. The speaker was guest speaker Monday evening at the Kiwanis 25th anniversary dinner held at the Rose Bowl. Eight past presidents of the club were honored, including Roy Graham, the group's first president, Marvin Barnes, Forrest Piper, George Chapman, Freeman Wolfe, William Herrman, Eugene Frey and Herbert R. Schamot.

A special guest was Kiwanis Lt. Gov. Basil Compton of East St. Louis, who congratulated club members on their service to the youth of the community. He also conducted an initiation ceremony for Ted Niciecki, a new member.

Floral arrangements flanked a large decorated birthday cake on the head table. Four charter members, Walter Bulliger, Roy Graham, Piper and Barnes, served the cake to the guests.

Mrs. Melvin Gillis, Mrs. Robert Lombardi and Mrs. Wilbur Waggoner supervised the table decorations and gifts.

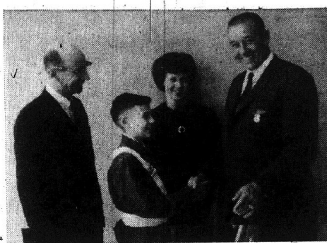

Kiwanis President Peter Jellen welcomed the guests and awarded prizes to Mrs. Vivian Wolfe, Mrs. Thelma Chapman, Mrs. Zura Graham, Mrs. Verna Jellen, Mrs. Lorraine Niciecki, Mrs. Lucille Schamot and Mrs. Blanch Gross.

## Tries to Sell Siding On Cleanup Pretense

Milton Morris, chairman of the cleanup unit on campaign in Venice, warned yesterday that a committee in charge of the program has made no arrangements of any particular firm or individual.

"The warning" came after Morris reported to Venice police that Elmer Taylor, 204 Kerr street, Venice, had informed him that an individual represented an improvement firm that would convince Taylor to install steel siding on his house, claiming that the cleanup committee had selected Taylor's home as an example for home repairs.

"We hope to make no endorsements of any kind and have made no selection of any property for demonstration purposes," Morris said.

OFF TO WASHINGTON To take part in the National School Safety Patrol Parade on Saturday is Wayne Sanderson, 12, receiving congratulations from Mayor Partney yesterday. Looking on are William Harris, chairman of the Optimist Club committee that judged safety patrol essays, and Wayne's mother, Mrs. Weldon Sanderson, 2816 Forest avenue. Wayne is a sixth grader at Wilson school.

## Endorsement of Musso, Others Voted at Venice

An endorsement of George Musso, now Madison county treasurer, as candidate for nomination as sheriff in the June 14 Democratic Primary election was voted this week in a gathering of 11 of the 16 Democratic precinct committees of Venice and Chouteau townships. The meeting was held in the Venice city hall.

Walter "Buck" Simmons, chairman of the Madison County Democratic Central Committee, said all 16 Venice and Chouteau committees are "solidly behind" Musso in the race for sheriff. Those committees who did not attend the meeting were unable to do so because of work or previous arrangements, he said.

Simmons told the Press-Record it's time to decide.

## Granite City PRESS-RECORD

Thurs., May 12, 1966 Page 3

Record there is no truth to rumors that a split among a few of the committees had developed over the choice of Musso for backing of the Madison-Venice Democratic organization, and that several committees were supporting Frank Harris, Granite City policeman who also is seeking the sheriff's nomination. Third candidate in the Democratic sheriff's race is Louis Bowman, former chief investigator of the Madison county sheriff's office.

At the county level, the 11 committees endorsed Miss Eulalia Hotz for renomination as Madison county clerk. John Maeras, candidate for shaver treasurer, and Russell G. Shaver, county superintendent of schools.

Unless a friend proves to be a Simmon trump it's time to decide.

## Federated Garden Clubs Holding Flower Show Today

Plans have been completed for the Standard Flower Show this afternoon and evening in Wesley Hall of Niedringhaus Memorial Methodist Church presented by federated garden clubs of the area.

The title of the show, which will run until 8:30 p.m., "Design For Spring," was inspired by the building and construction now in progress to beautify the city.

Mrs. V. J. Lisac, Cloverview Club; Mrs. Charles Kohl, Gardeners; and Mrs. W. G. Cooley, Garden Study club, are serving as general chairman of the show to which the public has been invited. The horticulture division will display flowers, shrubs, evergreens and house plants grown by the members.

Arrangements in the artistic division are interpreted from the following classes: "The Free-Form of Niedringhaus Memorial," "Go on Growing," "Caution Flags Ahead," "Do Not Cross Yellow Line," "One-Way Traffic," "Winding Road," "Historical Marker," "Construction Ahead," "Scenic Route" and "Roadside Market."

Final plans were made Monday by Mesdames John Jenkins, George Knapp, Fred Orr, Lisaac, William Bradley, Robert McCauley, Elwood Ackerman and B. C. O'Neill.

## Hobbies, Talents Are Reviewed

A program on "Our Talents" was given by members of Chapter KU of the P.E.O. Sisterhood at a meeting Tuesday evening in the home of Mrs. Alicia Sackett, 15 Lakeview drive. Fifteen members were present with Mrs. Julia Brown in charge.

Talks were given on talents and hobbies which ranged from bongo drums to "puttering."

Plans were made to attend the 64th annual Illinois state convention of P.E.O. in Jacksonville. Representing Chapter KU will be Mrs. Elizabeth Rice, president, delegate, Mrs. Lee Schafer, vice-president, alternate.

Ten was served and plans were made to meet next with Mrs. Schafer, 404 Stearns avenue, when Mrs. Elizabeth Rice will have a program on Cotley College.

## Miss Wilkinson Is May Bride

Mr. and Mrs. Barry Rideout are on a wedding trip to New Orleans and will return late this week to reside in Venice.

The bride, the former Miss Dorothy Wilkinson, is a daughter of Mr. and Mrs. Eugene Wilkinson, 1220 Klein street, Venice. The groom is the son of Mr. and Mrs. Otis Rideout of Dupar. Their wedding took place Saturday at St. Mark's Roman Catholic Church in Venice.

Rev. Robert McCarthy performed the 10 o'clock ceremony and a reception was held in the evening at the American Legion Hall in Granite City.

The bride wore a gown of white satin and lace. The A-line skirt ended in a long train and the bodice was of lace with short sleeves. A panel of lace extended down the front of the skirt. The bride's veil was held in place with a headpiece of satin and pearls and she carried a bouquet of white carnations with an orchid in the center.

Mrs. Pat McCoskey was matron of honor, and Mrs. Diane Koberma, and Misses Betty Flegler and Kathy Wilkinson, the latter a sister of the bride, were bridesmaids. They were dressed alike in long light blue gowns with lace bodices and all carried bouquets of blue and white carnations.

Thomas Pratt was best man, and Roy Koberma, Thomas McCoskey, John Neal, Gary Riess, and Shirley Barion served as groomsmen and ushers.

Others in the wedding party were Joann Ohlendorf and Tommy McCoskey, flower girl and ring bearer.

The bridegroom is employed by the Granite City Steel Co., and the bride holds a position in St. Louis.

Mr. and Mrs. Hugh Bertran, 2429 Madison avenue, are observing their 64th wedding anniversary quietly today in their home.

Mr. Bertran is 91 and his wife is 86. They were married May 12, 1902, in Clayton, Mo., and have resided here since 1918. The couple has two children, K. Ken-

## Hugh Bertrams Observing 64th Wedding Anniversary Quietly

Mr. and Mrs. Hugh Bertran, 2429 Madison avenue, are observing their 64th wedding anniversary quietly today in their home.

Mr. Bertran is 91 and his wife is 86. They were married May 12, 1902, in Clayton, Mo., and have resided here since 1918. The couple has two children, K. Ken-

neith Bertran, at home, and Mrs. Earl (Leone) Guyton of East St. Louis.

There are also five grandchildren and 11 great-grandchildren. The day is being spent quietly by the couple as Mr. Bertran has been seriously ill for several months. Before retiring he was painting and paper hanging contracting.

Mr. and Mrs. J. E. Price of Staffordshire, England, are guests of his brother-in-law and sister, Mr. and Mrs. Walter Harris, 2439 Iowa street. The visitors will be here until May 18 when they will leave for other visits in San Francisco and Los Angeles, Calif., before returning by plane to England.

Visits son in Indiana  
Mrs. John Range, 2944 Lynch avenue, has returned from St. Meinrad, Ind., where she visited her son, John Range, who is studying there for the priesthood. Mrs. Range was accompanied by her daughter, Sister Mary Leon of Ruma, Ill.

Miss Cleo Uim and Miss Anna Marie Ham, campus ministers of St. Michael's, are in the city. Miss Uim is a member of the St. Michael's, Christian social concern; Mrs. Golda Boyle, program materials; Mrs. Jeanne Sims, spiritual life; Mrs. Betty Williams, supply work; Mrs. Betty Mobley, local Christian action; Mrs. Mary Hephall, publicity and printing; and Mrs. Angie Mathis, Christian vocations representative.

Mrs. Briggs was in charge and a report was made of the recent annual conference meeting of the WSCS in Belleville attended by Mrs. Ray Henley, Mrs. Ralph Miller, Mrs. Charles Boyle and Mrs. Briggs.

A pledge service was conducted by the finance committee which had charge of the program for the evening.

Honor Circle, Mrs. George Vogler, retired, served cake and coffee.

The president's breakfast, with Mrs. George Holtzsch, vice-president; Mrs. Norman Holsinger, secretary; and Mrs. John Gordon, treasurer.

Kipling Pellett, retiring president, 3227 Fehling road, was guest of the evening.

## Bloodworth Works for Nothing!

It's true. Sometimes a home doesn't sell within a normal listing period. Almost 25 years of combined real estate appraisal and selling experience grinds to a halt. That's when we all take stock. We review, we analyze, we try harder. But still, possibly it takes more time, another time. Fortunately, though, our repeated bumping successes with residential real estate sales and developments in the Tri-Cities, year after year, prove that we aren't in the habit of working for nothing. In fact if your home is that much of a challenge and it hard to sell, we'll consider buying it! We know too well that nothing happens until a sale is made. The very next time you consider selling call a company that knows how for nothing.

MRS. LENNA WILLIAMS  
1638 Sixth Street — TR 74317

The Girls Auxiliary of the First Baptist Church met Tuesday afternoon in the home of the counselor, Mrs. Virginia Ditch, 1730 Fourth street. The meeting was opened with prayer and the girls read from the Psalms.

Plans were made for a mother-and-daughter banquet. Wanda Shelton read forward steps, with each girl taking part. Mary Jane Weidner, program chairman, presented the topic, "We Live Here; We Speak French."

Juanita Loerch read the prayer calendar, with sentence prayer by each. Those taking part included Debbie Craville, Cheryl Wood and Patty Carlson.

Mother's Day was celebrated at the home of Mr. and Mrs. John Colek, 1545 Sixth street, Sunday as relatives called at the home.

A buffet dinner was served during the noon hour to Mr. and Mrs. Kenneth "Bud" York and daughter, Kathy, Mr. and Mrs. Arthur Siwar and children, Allen, Karen, Connie and Carla, Mr. and Mrs. Daniel Antonovich, Mrs. Josephine Knezevich and John Forsy. Mrs. Colek open gifts.

Brownie Troop 73 met with Mrs. Thelma Skelly Tuesday, using a flag ceremony as the opening. The pledge of allegiance was sung and the Brownie promise and Girl Scout promise were given.

Brownie Troop 73 and Junior Girl Scout Troop 87 are holding a supper and fly-up ceremony at the First United Presbyterian Church May 16. Miss Dorothy Hinson is Troop 87 leader, and the girls who fly up will be in her troop after the ceremony. Families are being invited to attend.

The meeting was closed with the tunnel song by Marsha Anderson, Barbara and Cynthia Bevil, Joan Hollenbeck, Charlene Koroby, Debbie Oliver, Deborah Shelton, Terry Taylor, Josephine Varnady, Patricia York, Elisabeth Madden and Magdelyn York.

## Unbeaten Mercer Team To Play at Home Sunday Conference Golf Event To Maroons

Now that all the Southwest Illinois Inter-City League division state and individual divisions have scored victories over one another, the water weatherman with last Sunday's first full slate of contests, both divisions seem destined for three-team races.

But that anything can happen in the young season is attested to by Troy's quick rise to the top in the Red Division after notching a victory in its initial game. The Red Birds, having played only one game, lead the East St. Louis Polish-American War Veterans, who have split even in four contests. Hearts—Liberty Home of Granite City is in third place.

The Blue Division finds a more even three-way race between Mitchell A. C., Mercer of Granite City and Harper's, each with a 2-0 record, with fourth-place Pocahontas, only one game off the pace.

With the exception of one contest pitting Troy against the host Collinsville Mollitor team, this

## Warriors Face Kahoks Today In District Showdown Battle

Cold and rainy weather, the nemesis of high school baseball all season, returned to haunt the Granite City district tournament and forced postponement of the Collinsville-Granite City game yesterday.

The Kahoks will go against the Warriors today at Wilson Park to determine which team advances into the Cahokia regional tournament beginning Monday. All tournament games are automatically advanced a day following rainouts.

The Cahokia Regional competition is one of four regional tournaments which will ultimately funnel into the Staunton sectionals beginning May 23. The Staunton winner advances into the state tournament at Peoria starting June 2.

Districts assigned to the Cahokia regional are Granite City, East St. Louis, Lebanon and Columbia.

Collinsville eliminated Troy 5-3 in a game played at Wilson Park Tuesday under conditions more suitable for football. The Knights committed five errors and the Kahoks had four bobbles.

But despite the rash of errors, several instances of sparkling defensive play supported the Warriors' lead. Tom Parker, though going the route for Collinsville, walked six and struck out only one.

Behind 5-3 in the top of the seventh with the tying runs on second and third, the Knights

Warrior Net Team Defeats Roxana 5-0

Granite City's Warrior tennis team, back in its usual playing rotation following the successful outcome of district competition Saturday in Belleville, easily handed Roxana at Wilson Park Tuesday in a 5-0 match.

The only slight difficulty the Warriors encountered was in doubles, where Bill Harris and Louis Mehl had to go three sets to overpower Bill Stratton and Alan Wingerter 6-0, 8-11, 7-5.

Team final standings in the tournament with low four scores accounting for the totals, were: Belleville 314; Alton 328; Granite City 343; Collinsville 356; Edwardsville 369; Wood River 382.

YMCAs Soccer Playoffs to End Season

Climaxing the spring soccer season Sunday at Coolidge high school, the YMCA Soccer League will have a presentation of trophies at 2:30 p.m. following two playoff games.

An exhibition match will follow the presentation ceremony. The playoffs will begin at 12:30 p.m. with Midget Division Buzz's going against Gasparville Agency.

In a 1:30 p.m. match, Bantam Division Gasparville Agency will play Lockett A.C.

The exhibition game pairs two Midget teams, St. Elizabeth and Credit Union, at 3 p.m.

## Busy Weekend Competition In District Sport Events

Friday and Saturday's district competition in golf and track will bring Quad-City varsity high school spring sports programs into crisp climax stages. District competition in tennis was completed last week, and the regional playoffs will begin Monday.

Highlighting this weekend's elimination events is the 33-school district championship track and field district competition on the East St. Louis oval Friday night, involving both Granite City and Madison.

Madison, not entered in district tennis and golf, was eliminated in baseball in a 7-0 loss to first-round district winner Granite City Monday.

Venice is not involved in district playoffs.

Granite City completed district competition in tennis last weekend and will send the doubles team of Bob Malott and Norm Popmarkoff to the state finals at Champaign May 20-21.

The Warriors will compete in district golf eliminations at Alton's Lockhaven Country Club Friday as 20 schools tee off in the competition.

### Brave Hurler Loses Two-Hitter in Eighth

A third-inning homer and an extra-inning double sandwiching four costly errors spoiled Coolidge hurler Jerry Ronk's two-hitter in a game at Alton Monday won by East of Alton 4-3. Stan Lepchenski's tee-off in the third knotted the score but the Braves bounced back for three runs only to tie the game. Alton, walking only two and striking out five, gave up the eighth inning twobagger, and another error let in the winning run.

## Grade School Sports Event On May 23-24

Elementary grade school children under the age of 13½ as of May 23 will compete May 23-24 in the Granite City Elementary School Sports Day at Frohardt school, with events beginning at 10 a.m.

Girls will compete May 23 and 24 on the following day. Events are the 50-yard dash, shuttle run, standing long jump, softball throw, running high jump, 400-yard walk-run and four-man shuttle relay.

Ribbons will be awarded for the five place winners in each event. Three students from each school may be entered in each event with the exception of the 400-yard walk-run, limited to two students, and the relay, limited to a team from each school.

Next Monday is the deadline for receiving entry sheets for competitors. Boys' entry sheets are to be sent to Roger Smith at Wilson school, and girls' entry sheets to Miss Leigh Heller at Frohardt school.

## Oilers Rally to Grab Tri-Meet From Warriors

Wood River's track team came out of the 300-yard event and from behind Tuesday with strong Joe Pashea in the 440-yard dash, showing in field events to take John Harper will be in the high jump, Leonard Javelin, in the 220-yard dash and Jim Stephens in the mile run.

Prior to tabulation of the field in the mile run, the Oilers scored 37 points, while the Warriors finished with 33. Despite the disappointing showing in field events and a sprained ankle for pole vaulter Dwan Bridges as a result of the action Tuesday, Coach Morrison looks forward to the East St. Louis district meet Friday night with optimism.

"We figure to have more chances to place qualifiers for the state meet at Champaign than at any time in recent years," Morrison noted. In addition to Bridges in the pole vault, Morrison's hopes are pinned on the 880-yard and mile relay teams and several individual performers.

John Bohnenstiel will be run

### 16 Track Teams In Belleville 9th Grade Meet

Coolidge and Prather are among 16 schools participating in the fifth annual Belleville Freshman Invitational track and field meet Saturday at the Belleville township high school oval.

The meet, a climax event for ninth grade track and field participation, will get under way with preliminaries at 11 a.m. Finals will begin at 1 p.m.

Teams entered this year are:

## Trojans Gain Second Place In Track Meet

Continued good performances from Sam Jones and Ron Burr plus improvement of the 880-yard relay team enabled Madison to drag down a strong Triad team and take second in a triangular meet on the Knights' oval Tuesday.

Triad won impressively with 94½ points. The Trojans totaled 38½ points and Freeburg, the third team entered, scored 13 points.

Coach Glenn Pickering, pointing toward the Friday night district meet in East St. Louis, expressed satisfaction with the way Sam Jones, Ron Burr, Bernard Phillips and Albert Boyd performed in the 880-yard relay. They were clocked as breaking the tape in 1:38.3.

Jones took second place in the long jump and low hurdles, where Boyd placed third. Burr was second in the 100-yard dash and third in the 220.

### Three-Way Speedway Battle This Weekend

Galesburg, Ill., racer Jerry Blundy—unsuspected after a sensational flip in last Saturday's feature at the Tri-City Speedway—is entered in this week's program again.

Blundy will be driving a new car, a 327 cubic inch Chevy with a Halquist spring chassis and super modified gear.

Bill Uz, top speedway contender from Secalia, Mo., will also be in Saturday night's competition in his custom built 464 cubic inch Chevy.

A three-way scramble for the feature race checkedered flag seems assured, with Granite City's Wib Spalding returning after being forced out of last week's feature with car trouble.

Time trials commence at 7:30 p.m. and program events get under way at 8:30 with bobby cars on the quarter-mile oval and super modifieds circling the half-mile track.

## Grid Great to Speak At Mitchell Opener

George Musso of Edwardsville, former star football player and captain of the Chicago Bears, will be the speaker in season-opening ceremonies Saturday at the Mitchell Boys Baseball League begins its summer program.

Musso, former first-base man at Milliken University before deciding to go into pro football, will highlight the program at the Catholic grounds in Mitchell, where a new diamond has been constructed.

Festivities will begin at 1 p.m. with a parade from Mitchell grade school down Chain of the day's activities.

### Skid on Wet Pavement

Cars driven by Dolores Irene Burns, 2007 Sixth street, Madison, and Robert L. Bailey, 228 Hillis street, Eagle Park Acres, were damaged in Madison at 8:15 a.m. yesterday. Madison police reported that the cars skidded at Sixth street and McCambridge avenue where a body skidded on rain-wet pavements.

Rocks road to the Mitchell Presbyterian Church and over to the Catholic grounds in Mitchell.

A round-robin tournament of three-inning games between the league's eight teams will get the baseball program under way to just north of the stadium in lanes designated by large signs.

## Barnett Principal, Transfer Menendez

The Granite City school board grade school, Lake Principal Arthur E. Menendez, 324 St. Clair avenue, will be transferred to Mitchell grade school, where Principal Harold E. Briggs is leaving at the end of the spring term June 3.

Another fall vacancy, one of two assistant principal positions at Conville junior high school, was filled with the appointment of Mike Sikora. Currently, Granite City high school guidance counselor, Sikora lives at 2315 O'Hare avenue.

Barnett, who has been residing in East St. Louis, is a fifth grade teacher at Maryville grade school. Formerly a Nameoki school teacher for one year, he has been at Maryville since it was opened in 1959. He holds a bachelor degree from Montana State University and a master degree from Southern Illinois University.

Promotion procedures were reviewed in detail at the request of Board Member Daniel Linder, and President Monroe Worthen called an hour-long executive session limited to board members, Supt. Russell D. Johnson and Administrative Assistant Bob J. Davis. Worthen said the action was taken due to the likelihood of comments of a personal nature regarding school personnel.

Earlier in the meeting, Supt. Johnson praised Raymond Tom Jones, Conville junior high assistant principal, and said Jones would have been recommended for a grade school principal post except for a desire to remain in the secondary education field.

McKinley PTA will hold its annual school picnic from noon to 3 p.m. Monday, in the vicinity of the Wilson Park playground area, school officials announced today.

when a twin-engine C44A, with a crew of four, and a small UH-34D helicopter, with two men aboard, collided about 30-40 feet above the ground. Both craft were based at El Toro air station. It has not yet been learned if the crash took the local youth was born.

Pic Nash was born at Atlanta, Ga. He lived until coming here in 1957. He attended the Third Baptist Church, Granite City.

His parents are active in the Boosters of the Fighting Hawks, an adult organization that supports the athletic program at Granite City high school. Both are charter members of the group, which they helped to organize, and serve on the executive committee.

Besides his parents, Pic Nash is survived by a brother, Robert Nash, 18, a college freshman at the University of Georgia, and two grandmothers, Mrs. C. W. Bartow and Mrs. O. P. Nash, both of whom reside near Atlanta, Ga.

Military services and burial for Pic Nash are tentatively arranged. His remains will be flown to the state for one day prior to being taken to his former home. Arrangements are given in today's obituary column.

A family spokesman told the Press-Record this morning that the proposed stadium, to be built in memory of the late "Uncle" Jimmy Stuart, a GCHS teacher and well-known youth leader in the community, is being spearheaded by the Boosters Club.

Other victims of the crash were Capt. R. M. Pateman Jr., 32, of Tustin, Calif., and Marine Capt. Harold A. Rehagen, 23, of Westphalia, Mo.

## General Steel Honors 396 at Ninth 25-Year Club Banquet North Granite

Employees totaling 396 were honored at the 1966 banquet of the 25 Year Club of General Steel Industries Tuesday night in the Khorsan Room of the Chase-Park Plaza Hotel.

Engraved watches were presented to 282 new members of the club. Ninety-two 30-year employees received diamond-set gold lapel buttons, and 23 were awarded travel clocks in recognition of 35 years of service with General Steel.

President W. Ashley Gray Jr. presented the awards to heads of three divisions who then made the individual presentations. Those participating were D. J. Davis, vice-president and general manager of the Castings Division; Duncan C. Dobson, president of the Ludlow-Saylor subsidiary; and Edwin B. Meisner Jr., president of the St. Louis Car Division.

**294 in Castings Division**  
Castings Division award recipients numbered 294, including 202 employed for 25 years, 70 for 30 years and 22 for 35 years. Ludlow-Saylor had 64 winners of 25-year watches. The 38 St. Louis Car recipients consisted of 16 employed for 25 years, 21 for 30 years and one for 35 years.

About 700 employees and their guests attended. Dinner music was provided by a local orchestra, and there were vocal selections. Earle M. Layman, manager of industrial relations, was master-of-ceremonies.

### Child with Matches Causes \$1000 Fire

A child playing with matches in an upstairs bedroom caused a fire with damage estimated at \$1000 in a two-story frame house owned by Jerry Wingerter, 2218 Bryan avenue, at 3 p.m. Tuesday. Damage included \$500 to the building and \$500 to the contents.

At 4:35 p.m. Tuesday, a fire damaged helmets, clothing and the inside of a truck trailer used for equipment storage at the Granite Electric Co. The cause or amount of loss were not listed. A burning cigarette caused \$70 damage to a 1963 auto owned by Thomas Skelton, 2110 Missouri avenue, at 1:20 p.m. Monday at 28th and Adams streets.

### Stolen Auto Found

A 1949 auto stolen last Friday or Saturday from Ray Bloomquist, 18 Lakeview drive, was recovered Tuesday by the owner at 22nd street and Madison avenue.

### Auto Involved in Mishap

Elizabeth Williamson, 2036 Park avenue, reported that her auto was involved in an accident at 6 p.m. Monday at East 22nd street and Lee avenue.

### Operate 16 Plants

In addressing the group, Gray traced the growth of the corporation from one plant in the 1880s to 16 plants today in five states and Canada, making up the six divisions of GSI.

Gray described facilities and products of each division, using color photographic slides. "Management at each division," he said, "is responsible for conducting its own activities for its contribution to total corporate earnings, for its own product quality and productivity, and for negotiating its own labor contracts."

"We are especially pleased at this year's banquet to welcome new members from Ludlow-Saylor taken part in this GSI event. "At the ninth 25-year club ban-

quet tonight, we honor a group which has devoted a total of 10,885 years to the progress of General Steel Industries. That is a long time, and a lot of service. We are happy to commemorate this outstanding record."

"Exciting Period"  
"General Steel is in an exciting period of its history. The Castings Division has reached record levels of operations and quality and productivity are improving."

"The 'It Can Be Done' program has produced fine results in most departments of this division. The real advantage of the consolidation of foundry operations at Granite City is to be realized."

# GC Steel Outlook is Bright, Veeder Reports 8 Churches Here To Take Part in Pulpit Exchange

Granite City Steel Co. is on the threshold of its greatest era of opportunity as a result of the company's multi-million-dollar expansion program which will "allow us to offer increased production... improved quality and better service," Nicholas P. Veeder, chairman of the board and president, told stockholders at their annual meeting in Granite City Tuesday afternoon.

He told the gathering of about 40 stockholders, "In 1967, we will go ahead of all other companies in steel production. One hundred percent of our output will be of basic oxygen production. All of our steel will be rolled through the best and biggest computerized strip mill in this country and, I think, in the world."

Veeder noted that Granite City Steel Co. will be the first mill in the world to initiate computerized strip rolling.

At the same time the board, chairman predicted an "excellent year" for 1966 and said he expects shipments in May and June to equal those of April, amounting to 103,000 tons of flat rolled steel products. He said the company's new order bookings "picked up sharply in March" which was the best month in the last 18 for bookings of flat rolled products.

# Expect Good Year

In April, he said, the demand for steel leveled out on a fairly high plateau. "We expect 1966 to be a good year for Granite City Steel despite the slow first quarter," which was "generally throughout the steel industry."

Veeder said the company can look for "some seasonal falling off in the demand for steel in June and July but August should see the beginning of another pickup. Our order book should be in good shape moving into the fall."

He pointed out that the temporary shutdown of the blast furnace last year was one of several factors contributing to the slow start at the beginning of this year and the lower first quarter production. He said the current expansion program is the biggest ever undertaken and presents "the biggest opportunity ever to expand steel production to its highest point... Our outlook is certainly favorable."

# Cy Radioactivity Point

Veeder said one contradictory point in the steel picture is the matter of imports, adding that "our government does not see fit to protect the American steel industry against the imports from foreign countries, which could be done by tariff or other protective means. However, we are in an excellent condition here in the Midwest. Our company serves 20 states. The company's ingot production has more than doubled that of last year."

Stockholders re-elected all members of the board of directors. They include: Veeder; Kenton R. Graves, chairman of the board of Mercantile Trust Co.; Bertram B. Culver Jr., president, The Culver Educational Foundation of St. Louis; Alden W. Fisher, chairman of the board, Fisher Scientific Co., Pittsburgh; Lyle F. Gully, executive vice-president-general manager of operations; James F. Kleckner, vice-president; Lowell & Co., Inc., of Milwaukee; William Rodgers, Pittsburgh; Raymond E. Rowland, chairman and chief executive officer, Ralston Purina Co., St. Louis; George B. Schierberg, chairman of the board's finance committee, St. Louis, and Leif J. Sverdrup, chairman of the board of Sverdrup & Parcel & Associates, Inc. St. Louis.

# Driver's License Lost

Irma Arnold, 23 Briarcliff, reported at 1:20 p.m. Tuesday that she lost her driver's license.

# Partney to Attend Washington U. Seminar

Mayor Donald Partney of Granite City is among mayors from about 30 cities who will take part May 15-18 in a Washington University seminar on federal programs involving communities.

The seminar will be held in the Gateway Hotel, St. Louis, and will bring the mayors together with government leaders, political scientists, economists and agency administrators. All of the mayors scheduled to attend either are newly-elected mayors or recently re-elected and represent cities of 30,000 or more population within a 300-mile radius of St. Louis.

The program is being financed by a \$20,000 grant to the University by the Ford Foundation and will constitute a test of the feasibility of conducting similar mayors' conferences in various regions throughout the nation.

Following a 7 p.m. dinner Sunday, the mayors will be greeted by St. Louis Mayor A. J. Cervantes and a representative of the University. The first working session will get under way Monday at 9 a.m. and will be concerned with the "Changing Relationships of National, State and Local Government."

Sessions also will be held Monday at 10:30 a.m. and Tuesday at 9 a.m., with a summation and review of the day's discussion scheduled for 3:30 p.m. A social hour at 5 p.m. and dinner at 7 p.m. also is scheduled, to be followed at 8:15 p.m. by a discussion of "An Urban Administrator's View of Federal Planning Programs and Problems" by Minneapolis Mayor Arthur Nafzinger.

# McCormick to Attend Washington Conference

Robert McCormick, labor representative to the Tri-Cities Area Union Fund, will attend the 11th annual AFL-CIO national conference on community services to be held Sunday through Tuesday at Washington, D.C.

The conference will conclude next Thursday with the Murray-Green award dinner to be held in honor of Sargent Shriver and Mrs. Eunice Kennedy Shriver. The central theme will be "Community Planning and Organization to Meet the Immediate Needs of Our Members and Families."

# Auto Door Hit by Truck

The left door of an auto opened by Gus J. Gibson, St. Louis, who had parked in the 1000 block of N. Grand, was struck by a wheel of a tractor-trailer truck driven by Theodore M. Piskarek, Winfield, Mo., about 1 p.m. Tuesday.

# Collide in Madison

Two cars were damaged in Madison at 9:40 a.m. yesterday in a collision at Fourth street and Madison avenue. Police said a car driven by Robert Soles, 2025 Rhodes street, Madison, headed north on Madison avenue, and one driven by Romain Fourmelle, St. Louis, collided at the intersection as Fourmelle started to make a left turn while Soles' car was in the outside lane.

Arrangements for two other exchanges are pending at present, it was announced.

## New Parkview Grade School To be Ready for Fall Term

Parkview grade school will be ready for use before the start of the fall school term Aug. 29, Architect Virgil Dulgeroff reported to the Granite City School Board Monday night.

Situated on an extension of Maryville road south of Stratford lane, the new elementary school will serve the Shamrock Gardens, Wilshire Manor, Parkview, Dream Villa, Cargill, Breckenridge lane, Division street and Bukovac addition areas.

Contractor Leo Wolf will have the basic construction work completed in July, and moving of furniture into the building will begin in mid-July. Work shown on a "punch list" will continue in the late summer and should be finished during August, the architect said.

Walks, drives and blacktop areas will be finished this month, exterior work on the cafeteria roof will be completed next week, and aluminum doors, windows and entrances are ready for installation, the board was told.

Discussing a school remodeling survey, Dulgeroff said he is nearly done with his study of Niedringhaus school and will survey five other buildings this summer.

**Remodeling Engineering**

The board approved employment of Edward J. Neumann of Shepard, Morgan & Schwaab to provide engineering services required as part of the Illinois school "life safety" remodeling surveys.

J. Neumann will be paid up to \$1850 for work at schools assigned to him. Virgil Dulgeroff and up to \$2250 for buildings assigned to Architects Henry Gabriel and Sylvester Dulgeroff.

Supt. Russell D. Johnson said he is not yet ready to recommend a successor to Marvin Dean, who is leaving the position of school engineer. Several applications have been received.

**Circular Concession Stand**

Preliminary plans for a circular concession-ticket stand and restroom building at the Granite City high school football field were presented by two GCHS students, Dennis Myracle and Gary Stanek, who were accompanied by Allan Spencer, industrial arts teacher.

The students' project is to be referred to an architectural firm for development of final plans. The 38-foot-diameter brick structure is to have 1000 square feet of floor space.

Board President L. Monroe Worthen commended the students and Board Member Daniel Linder expressed the hope that other school departments will be able to provide such direct help to the school system.

The board approved use of Niedringhaus school June 13-24 as the site of a day camp for handicapped children. The camp will be directed by Mrs. Patricia Maxey.

**Underwrite Summer School**

It was decided to underwrite the Granite City district's summer school program for \$15,000 again this year. Actual net cost last year was \$3681.

Supt. Johnson advised the board members that GCHS senior recognition day will be held at 8:30 a.m. May 19, Baccalaureate services at 3 p.m. May 29 and commencement on the evening of Friday, June 3.

Again this year, closed-circuit television will be used to show the gymnasium graduation program to overflow spectators.

### 90 Attend PTA School Of Instruction

More than 90 PTA officers and chairmen from a three-county area participated in the Illinois Congress of Parents and Teachers' District 29 spring school of instruction Tuesday evening at Edwardsville. Several local PTA officials serving as instructors.

Mrs. Ida Hantelider of Granite City, District 29 director, was in charge of the meeting and there were talks by Wilbur R. L. Tripp, Madison county school superintendent, and Mrs. V. J. Brazier, ICPT first vice-president.

Mrs. Lucille Caban, Granite City PTA Area Council president, presented a Trimpe award for his efforts in helping to further PTA activities in the county.

Workshop instructors from here included Mrs. Raymond Tadlock, Mrs. Caban, Mrs. Allen Jesse and Mrs. Hantelider.

Mrs. Tadlock, a past president of the local PTA council and current District 29 secretary, conducted installation ceremonies for new officers of the Edwardsville PTA Area Council.

### Tenant Faces 2 Charges

William E. Stephens, 33, of 1713 Spruce street, was arrested at 11:20 p.m. Tuesday at his home on charges of creating a disturbance and profanity after police received a complaint from his landlord.

# Country Freshness at its Best in foods from our Dairy Department

Walking into our dairy departments is like discovering a New World of Cheeses, a kind for every use. Use the Cheeses listed here, and many others in our dairy cases, in sandwiches, casseroles, pastas, and desserts. The next time you shop, give yourself a little extra time in our fascinating dairy departments. Read the labels, check over this large variety of cheeses with which you can plan many meat ideas. Also, in our dairy cases, you'll find delicately flavored C. W. and Jersey Farm Butter and Grade "A" Jersey Farm and Hill Crest Fresh Eggs, the finest on the market.

**HOLY NAME TO AID MENTAL HEALTH CLINIC**  
 A monthly meeting of the Holy Name Society of St. Elizabeth Catholic Church was conducted Tuesday evening by Henry Lamb, president, who opened the meeting with prayer and the

Hogan, trustee prize. Miss Jeronovic received a birthday gift from her secret pal and Mrs. Deakie Smart received an anniversary gift from her secret pal. Refreshments were served to Mrs. Vella Mae Tucker and those named.

Reports were given by Ray Taylor and Ken Sudholt. The society will contribute \$25 to the mental health clinic. Also a donation will be given to the society's athletic fund.

Joe Nemeth of the Granite City police department spoke on the block program for families in the parish. The program designates certain homes to help children who may be lost, hurt or distressed.

Bob Turck reported on new families contacted, followed by a report on athletic activities. John Straubinger, chairman of last month's fish fry, reported on the event and on a retreat held May 6, 7 and 8 in Belleville. The president appointed Sud-

holt as chairman for a fish fry May 27 at the school cafeteria. The president reported on a breakfast served to the Altar Society May 8. Jim Reinhardt spoke on the CYC and Straubinger was awarded the evening's prize. Refreshments were served to 30. Next meeting is scheduled for June 14.

A weekly meeting of the Granite City Duplicate Bridge club was held Sunday evening at the Elks club under the direction of Mrs. Helen Meyer. There was individual scoring, and Mrs. Betty Caldwell was first, Sam Meyer second and Mrs. Ruth Densford and Al Lanhahn tied for third.

The club will meet again at 6:30 p.m. Sunday at the Elks and the public is invited to attend.

### 27 Accidents

sions to her forehead and abrasions to her left leg. X-rays were taken. Mrs. Barth had multiple abrasions to both hands. Brown suffered abrasions to his legs and a neck injury. Miss Kraus, who had observed a stop sign, was charged with failing to yield right-of-way and was summoned for a hearing by May 23. She said she did not see the truck.

**Falls Asleep at Wheel**  
Jerome J. Rakors, 34, of Breese, was injured when he fell asleep at the wheel of his auto, causing an accident on Interstate 270 a half mile west of Route 157 at 3:30 p.m. Monday. His auto ran off the road and struck a guard rail, bridge girder and embankment.

He was admitted to St. Elizabeth Hospital with a cerebral concussion, fractured jaw, a laceration in the spine and a lacerated chin. X-rays were taken.

James Otis Jr., 20, of East St. Louis was injured when he fell asleep at the wheel of his auto which struck a parked car owned by Richard Hopkins, Alhambra, at 7:40 a.m. today at 18th street and Edison avenue. The Hopkins auto knocked down a bus stop sign and was pushed into a utility pole. Otis was charged with careless driving and was summoned for a hearing by May 23.

Miss Shirley A. Kalchoff, 24, of 1408 Twenty-seventh street, and Jack Nipper, 10, a passenger in an auto driven by Ilene V. Nipper, Rural Route One, were injured when the Nipper and Kalchoff auto collided at 5:50 p.m. Monday at 21st street and Madison avenue.

Both were admitted to St. Elizabeth Hospital. Miss Kalchoff, a Marshall school teacher, suffered a cerebral concussion and contusions and abrasions to her right knee. X-rays were taken. The boy also suffered a cerebral concussion and a scalp contusion. Mrs. Nipper was charged with failing to yield right-of-way and was summoned for a hearing by May 22.

Charlotte Sue Dean, 21, a passenger in her auto, Roy J. Dean, 32, both of St. Louis, were injured when the car left the pavement in the Nameoki road construction area and struck a tree in the yard of Roberta Lambert, 374 Nameoki road, at 7:15 p.m. Tuesday.

They were taken to St. Elizabeth Hospital and were transferred to St. Louis City Hospital. She suffered multiple abrasions and contusions to her left leg. He had extensive facial and nose lacerations.

Gerald D. Spann, 33, of St. Louis, suffered minor head injuries at 7:55 a.m. Tuesday when the car he was driving collided with the rear of a tractor-trailer truck on the west side of McKinley bridge in Venadon. Police reported that the tractor trailer, driven by William F. Bereuter of Overland, Mo., was stalled by motor trouble and that Spann's car struck the rear end of the truck in attempting to swerve around it.

Virginia Johnson, 49, of Glen Carbon, was injured when an auto in which she was riding driven by David L. Johnson, Glen Carbon, collided with another driven by Richard M. Rice, Edwardsville, who was making a left turn into a driveway in the 400 block of Pontion road at 6:15 p.m. Monday.

She was admitted to St. Elizabeth Hospital where x-rays were taken of her shoulders, left wrist and spine. Rice was charged with failing to yield right-of-way on a left turn and was summoned for a hearing by May 19.

Stephen L. Schmidt, 22, of St. Ann Mo., explained injuries after an auto driven by Arthur Reide, 408 Pontion road, was forced into a parked auto owned by Joseph Mezo, 278 Madison avenue, and then swung around into the Schmidt car at 8:10 a.m. Wednesday at 26th street and Madison avenue.

William O. Eaker, 22, of Rural Route One, was injured when his auto collided with one driven by Edward R. Bristol, Mendota, at 7:35 a.m. Wednesday at 20th and State streets. As a result, the left rear of the parked auto of Fred Farmer, 32 Moorland drive, Mitchell, was struck. Bristol was charged with failing to yield right-of-way. He was summoned for a hearing by May 25.

Rosa Pollett, 17, of 2912 Wood Drive, a passenger in an auto driven by James E. Harper, 3025 Merryville road, suffered minor injuries in a collision with another car driven by Charles Higgins, 2615 Iowa street, at 7:45 a.m. Wednesday at 3000 Madison avenue.

William W. Whitehead, 57, of 2129 Ohio avenue, complained of pains after an auto in which he was riding, driven by Ann Whitehead, 1236 Kirkpatrick Homes, was involved in an accident with another car driven by Phillip E. Lawell, 2000 Cayuga, as she was making a left turn into the victim's driveway at 5:40 p.m. Wednesday. Lawell was charged with following too closely and was summoned for a hearing by May 25.

Extra efforts will be made by refuse collectors in Madison and Venice to take additional loads during the same period, Mayor Maas and Mayor Lee said.

Normal trash removal in the two communities is not restricted to specific items as in Granite City. Schedules for each Granite City area follow:

Monday—Area between 26th street and 26th street, on West Wash railroad tracks on the west side of Nash street on the east.

Tuesday—Nameoki area from Highway 3 on the west to north along city limits and south to Johnson road.

Wednesday—Area east of Nameoki road, from Johnson road to Edwardsville road, east and north along city line to St. Clair avenue and west to Washab avenue.

Thursday—Area west of Nameoki road, from Fehling road to 26th street, south along August street to the Madison city limits and east along Edwardsville road to the western boundary will be the Washab railroad tracks.

Friday—Complete downtown area and West Granite, including all regular pick-up points west of the railroad tracks.

### \$1 Million

all increase of \$835,000 in each of the two years.

"Summer school pay would be increased from \$5 an hour to \$16.65 under the federation plan. They would apply a cost-of-living increase or decrease to the second year of the two-year proposal, based on the Consumer Price Index of the Department of Labor."

**Offer by Board**  
"The board's negotiating team proposed \$2400 as the base for 1966-67 and \$2600 for 1967-68 (\$200 and \$220 monthly)."

"With beginning salary for a bachelor degree at 100% and 4% increases annually for experience for 12 years, with 5% increases for each column of additional training, this would provide maximum salaries of \$2838 for a bachelor degree and \$4908 for a master degree with 150 hours (1968 monthly)."

Supt. Johnson said.

"It was further proposed that pay scales for vocational workers' classes, etc., be increased by 3.8% and that a cost-of-living increase be worked out for the second year. Five semester hours of additional training would be required each five years to advance on the salary schedule, but this would not apply after earning a master degree."

"A second board proposal was a two-year agreement that would call for a lump sum increase of \$264,000—the first year \$132,000 and an additional \$232,000 the second year. This is estimated to provide monthly teacher raises of \$33 each year."

**Income Analyzed**  
"A financial analysis of possible revenue, including funds from a 10-cent annual increase in tax rate in the educational fund and increased state aid, indicates we can expect an additional \$1,135,000 in revenue over the two-year period. The federation's proposal would cost the district \$635,000 and \$1,270,000 a year of \$1,950,000, without any calculation for a cost-of-living increase."

"In neither of these proposals is anything provided for increments already in the schedule totaling \$270,000 for the two years. Additional staff members can be figured at 15 the first year and another 20 the second year, costing \$285,000 for two years, totaling \$570,000 plus \$270,000 and \$285,000 total \$1,425,000."

The board anticipates revenue of \$1,135,000 and projects that a tax increase greater than 10 cents will be necessary. The federation maintains that the board's estimate of increase in revenue is overly conservative and that a tax increase greater than 10 cents would be necessary."

**Finals Impending**  
The federation letter noted that "the financial condition of this district has greatly improved" and it has paid off a large debt. The letter from Lane and Salary and Policy Committee Chairman Richard Huff concluded that the committee has often agreed that teachers as a professional group are underpaid, but the district proposal does nothing to close the gap between teaching and similar professions."

#### Smith Plant to Curtail Output

A. O. Smith Corp., producers of Chevrolet auto frames for General Motors, will curtail operations substantially from May 27 through May 31 in line with the recently announced production cutback by General Motors.

The curtailment will involve about 1000 production workers. The plant now employs about 1800 persons.

A plant spokesman said a tentative plan also has been adopted for a five-week shutdown from June 27 to Aug. 1 for the annual changeover of assembly lines to 1967 models. This shutdown also will involve about 1300 employees, he said.

The spokesman said that the revision of production plans by General Motors is a "temporary" call for reduction of work on the new models Aug. 1 "on full schedule," he noted.

"Unlike procedure of previous years in which workers returned gradually to each shift as changeover work was completed on the year. Five semester hours of additional training throughout the five-week period will complete all changeover work. The full complement of production employees will then return at the same time, it was announced."

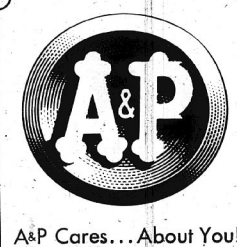

#### Chester Baker Recovering

Chester Baker, 2800 Yale dr., of the Tri-City Printing Co., is recovering at St. Mary's Hospital in Clayton from an infection which he returned the hospital a week ago.

The federation letter noted that "the financial condition of this district has greatly improved" and it has paid off a large debt. The letter from Lane and Salary and Policy Committee Chairman Richard Huff concluded that the committee has often agreed that teachers as a professional group are underpaid, but the district proposal does nothing to close the gap between teaching and similar professions."

## Man Held in Venice On Weapon Charge

Venice police today were holding Joe O. Rice, 37, of 1068 Douglas street, on a charge of unlawful use of a weapon, following his arrest at 3:30 p.m. yesterday in connection with the theft of \$13 and a 22 caliber pistol from Charles Haws, 2241 Bayview avenue.

Haws reported to Venice police early today that the money and gun were taken from him by a man he met in Garrett's tavern in West Madison and who accompanied him for a ride in Haws' car. A Madison police officer later informed Venice police that he had seen Haws leave the tavern with Rice.

After Rice was arrested, Armond Anderson, Venice, reported to authorities that Rice had threatened him with a pistol. Anderson signed a complaint charging unlawful use of a weapon. Venice police said they also will charge Rice with carrying a concealed weapon since he had a 22 caliber pistol on him when he was picked up. A hold order also has been placed against Rice by Madison police for non-payment of a fine on a charge of carrying an illegal weapon.

Mrs. O'Reilly, 65,

## Chamber Actions On Rail Merger, Community Image

The Tri-Cities Chamber of Commerce board Tuesday night went on record as urging merger of the Rock Island and Chicago Northwestern railroads. It took a stand opposing proposed acquisition of Rock Island by the Union Pacific and Southern Pacific railroads.

Need for cooperative efforts to improve this community's image and civic pride was stressed by President Carl E. Mathias, who cited the value of such programs as the current areawide "clean up, fix up" campaign sponsored by the Chamber.

Mathias urged Quad-City citizens to "speak up" and take direct action to better their community. This theme also was stressed in a report by Mathias, Vice-Presidents Howard Kaseg, and Freeman Wolfe and Treasurer William F. Winter on the 1966 U.S. Chamber meeting.

Biederma's and Attorney Gerald McGivern were accepted as new members, and it was noted that conferences have been held with nine Granite City aldermen on zoning and planning.

Meetings are set for 5:30 p.m. May 19 and 59 at the C. of C. office on a Congressional letter writing program.

Health, highway, education, sewer, Better Business Bureau and auto safety activities were reviewed. Events listed included a state Chamber industrial development meeting today in Peoria.

June 1 dinner honoring Army Depot soldiers and the annual Chamber "play day" at the depot.

It was noted that a local application for Army and Air Force Exchange Service facilities was commended by the federal government. The Dallas-Fort Worth, Tex., area was chosen as the site.

### 20th-Street Accident

Autos driven by William T. Klages, Chicago, and James W. Klages, Indianapolis, Ind., were involved in an accident at 10-45 a.m. Wednesday at 20th and State streets.

## New Bi-State Fares To Start Monday

A new schedule of bus fares will be initiated by the Bi-State Transit System Monday and will involve primarily a 25-cent increase in zone fare rates. The new schedule will not change the half 30-cent fare for local service, the 35-cent fare for express service or the 25-cent fare for two-zone rides in suburban areas.

The "silver" pass which will cost \$3.75 and replace the present \$3.50 weekly pass, also will go on sale tomorrow for use beginning Monday. It will be good for unlimited riding at all hours, on local or express service, within central fare areas. These consist generally of the cities of Granite City, Venice, Madison, St. Louis and East St. Louis.

Transfers which are now free, cost 50 cents, and the 10-cent local fare in downtown St. Louis will be eliminated. Only change in the Quad-City area will be a 25-cent increase in zone fares which are increased from 5 to 7.5 cents. The increase will be in the area north and east of Madison avenue and Nameki road, including the Pontoon Beach and Mitchell areas.

## Chamber Drive Nets Over 50 New Members

Fifty-two new members of the Chamber of Commerce of the Tri-Cities were enrolled during an annual one-day drive yesterday. Nine teams competed, with Walter Ruzicki's group winning and George Reeves' team placing second.

Projects included individual drive workers, with Carl Specking second, and B. C. "Tip" O'Neill third. Attorney Leo Konzen was drive chairman.

## A. O. Smith Workers Join Campaign for Cleanup

The labor-management safety committee of A. O. Smith Corp. announced today it is lending its full support to the Quad-City clean up, fix up, paint up campaign.

The committee has erected a large sign outside the plant calling attention to the campaign and urging cooperation with the program.

until the bandits were gone.  
Helms said an audit of the  
cash register tapes will be neces-  
sary before the amount taken is  
determined.

One of the bandits was de-  
scribed as about 25 years old, 5  
feet, 8 to 9 inches tall, weighing  
135 to 140 pounds and wearing a  
light blue yachting cap, dark  
trench coat, dark trousers and  
shoes.

The other was described as 3  
feet 10 inches tall, weighing 140  
to 155 pounds and wearing a dark  
ivy league cap, dark trench coat  
and dark trousers and shoes.

## The Diplomatic Pouch

WASHINGTON. The following letters have been answered by the Department of State:

Is there any official definition of U. S. understanding of the terms "land reform"? We frequently use these terms, but I wonder whether there is any definition of either term which is somewhat official in our foreign policy.

J. S. Madison, Wis.

We have not been able to discover a definition that might be called "official" for the terms. There are some functional terms of reference used in the Alliance for Progress which might be helpful to you.

Dear Professor S:

As you know, the Great Seal of the United States of America has two sides, the obverse and the reverse; but the obverse of the Great Seal is used.

Why don't you use the reverse?

R. N. W. Miami Beach, Fla.

A seal reverse implies a pendant status or manner of sitting.

At the time the Continental Congress adopted the design for the Great Seal, in 1782, pendant seals were not in vogue.

A pendant seal is a seal in the form (usually) of a disk of wax or similar substance which attaches to a document by ribbons or cords.

The disk, like a coin, has two flat surfaces, which afford space for two designs—the obverse and the reverse.

Although as originally enacted and as by law perpetuated, the Great Seal design includes both obverse and reverse, so far as we now know the device of the reverse has never been used as a seal.

Consistent precedent through 183 years ago supports the use of the obverse alone as both the Great Seal and the coat of arms of the United States.

Do you have an inquiry? Send it to me.

GRANITE CITY PRESS-RECORD

MAY 12, 1916

A preliminary statement of the general results of a census of manufacturing for Granite City has been issued by Director Sam L. Rodgers of the Bureau of the Census, Department of Commerce, Washington, D. C.

It was prepared in the direction of William M. Stewart, chief statistician for manufacturing. The figures are preliminary and subject to change and correction as may be found necessary from a further examination of the original reports.

The census, with reference to manufactures, excluded a hand of trades, building trades and neighborhood industries, and took account only of establishments conducted under the factory system.

The report stated that Granite City has 38 establishments representing 568 employees and an annual payroll of \$4 million.

Estimated at \$400,000.

St. Joseph's congregation of Granite City concluded another enjoyable and financially successful bazaar and carnival of four days.

The fair was staged in the National Lumber Co., considered one of the fastest amateur ball clubs of Missouri.

Ten booths occupied the length of the fair grounds.

Large crowds were attracted and all enjoyed much innocent fun. Proceeds were estimated at \$400,000.

Miss Sophie Mertens entertained their club at the White Swan Inn. Prizes were won by Mrs. Vivian Frank, Mrs. Kate Scarratt, Mrs. Lillian Laddan and Mrs. Vella Abbott. Other members attending were Mrs. Ann Green, secretary, and Miss Ethel Hartman, Mrs. Mary Blumstein, treasurer, Mrs. Grace Burns and Mrs. Gertrude Carpenter.

A new member, Mrs. Mary Daly, was welcomed by members of the club.

Plans were made at the meeting of the Pro-Social Club held at the YMCA.

They are Miss Marian Segar, president; Miss Kathryn Hill, vice-president; Miss Frances G. Hartsman, secretary; and Miss Ethel Hartman, treasurer.

### Pupils Taking Risks at Crossing

To the Editor:

I know the railroads should have safe crossings. But what most of the mothers don't know is there is a railroad crossing on Pontion road with signals and a crossing arm to protect the children and adults. I go to work when the children are getting out from school. There is a safety sign on the Namooki road who helps them cross the road.

Several times I have had to wait on the track while the train is passing; some of them run a race with it, and some throw rocks to see if they can hit it. But most of the 20 or 30 children are past the cross arm. If another train was coming, they wouldn't hear it.

I hope this will help some mother and keep the children a little safer.

### URGES VOTES AGAINST MACHINE IN PRIMARY

To the Editor:

A golden opportunity is in store for voters of the Quad-City area in the June 14 primary election.

For the first time in years, we will have a free choice in the voting booth to select candidates and not those hand-picked by the Madison machine.

If we want to rid our county of power-hungry leaders and the stranglehold they have on Madison county, we need only vote against the candidates endorsed by the machine.

Check the stickers displayed by Levee Board and Madison city employees. These are the candidates who would return to taxpayers of Madison county.

One sticker prominently displayed was forbidden in the city of Madison four years ago. If it had been displayed, it probably would have been torn down by police. Now the candidate is one of their fair-haired boys. What happens?

Wilbur Trimpe has performed his duties as county superintendent of schools in a manner that merits his reelection. He did not bow down before the throng nor did he allow the bosses to dictate how his office should run. His opponent got the machine endorsement and Trimpe got the boot.

The county superintendent should be machine-free because the importance of this office increases with the amount of federal money funneled through it. Let's elect a man who will not be obligated to a machine and who will be free to conduct his office for the good of all the citizens of Madison county.

This primary is of equal importance to both political parties. It gives the minority party an opportunity to return to power by party system by weakening the powerful control of an entrenched machine. This would give a good candidate a chance either party an equal chance at the polls.

Machine power attempting to control local elections is not limited. It affects this great county of ours. We need to start at the bottom and clean up the mess.

WCTU CALLS LIQUOR SALE COSTLY TO TAXPAYERS

To the Editor:

In response to a letter in the Forum of the Press-Record which claimed that the liquor industry pays large amounts in taxes, let it be stated that it is generally agreed that what they pay in taxes does not pay for the policing of their industry.

People have to travel all these tracks. Why are they allowed to get by without fixing these tracks?

What this town needs is an overpass. Sometimes it takes 25 minutes to get across the tracks.

THE GRANITE CITY WOMAN'S CHRISTIAN TEMPERANCE UNION

Let us stop, and think.

There is not one person in the Quad-City, Madison county, the state of Illinois, the United States or the world who needs even one drop of alcohol.

Let us stop, and think.

### ASHAMED AT TURNOUT FOR PRAYER SERVICE

To the Editor:

On May 1, the Granite City Jaycees arranged a beautiful prayer service at Wilson Park to pray for our men in Vietnam.

It was an ashamed of Granite City to see that out of a town of 40,000 people, only 150 could be counted on to attend the prayer service.

Every day I hear people complain about the demonstrators who make our servicemen feel so bad. But what are we doing to show them that we believe in them and what they are fighting for?

Was Sunday, May 1, a good example to show them how we feel?

### SAYS CITY REMOVED BUS USED BY UNION OFFICERS

To the Editor:

I noticed in the May 9 issue of the Press-Record an item that Mayor Parney had removed the bus used by the union officers from various parts of the city.

One item that he had removed he did not mention; that was the bus on West 26th street and near the city hall. It was regularly being used by the officers of Oil, Chemical & Atomic Workers Local 7483 to transport their members to work.

I wonder if the mayor thought that to deprive the union officials of this bus to meet in was also depriving the city of a valuable asset.

However, from my own experience, it hardly seems worth the time or expense to remove a bus looking good in this dirty, stinky city.

My last paint job lasted two weeks; then the wind changed and the stink came with the brown discoloration.

First, Granite City must clean the fifth from its air. Then I think you will find the appearance of homes and property will improve.

### INSPIRING CONCERTS BY GRADE SCHOOL BAND

To the Editor:

Congratulations to Mr. Sterling Schorn on the concerts given at various grade schools by band students of nine McKinley area schools.

Last in the series was given Tuesday at Emerson school.

May we have more? Perhaps

## Eagle Scout Badge Is Presented in Church Ceremony

Robert Bunselmeyer, 14, son of Mr. and Mrs. Donald Bunselmeyer, Rural Route One, received Eagle rank in a court of honor held Monday evening at St. John United Church of Christ. He is a member of Boy Scout Troop Three, sponsored by the church brotherhood.

Glenn Aberneth served as master-of-ceremonies and the new Eagle scout's history in scouting was outlined by Scoutmaster Louis Labory. Aberneth introduced the candidate, United District Executive Edwin Menke gave the Eagle poem and Howard W. Kueberg, a Catholic Mound Council vice-president, presented the challenge to the candidate.

Victor Drexelius gave the Eagle scout charge, and the badge was awarded by Labory, with the scout's father presenting the Eagle certificate. About 100 persons witnessed the event.

**Awards to Parents**  
Bunselmeyer presented a pin to his mother and a tie clasp to his father. Rev. Paul R. Surbey, pastor, offered prayers. Life Scouts Dennis and Ronald Labory presented and retired the colors. Scouts Scott Smith and Gary Hoz conducted a candle ceremony. Refreshments were served.

Joining the Stallings PTA club in 1959, Bunselmeyer earned wolf, bear and lion rank with gold and silver arrows. He joined Troop Three in February 1962, participating in hikes and camping, and attained the rank of tenderfoot and second-class scout that year, first-class and star scout in 1963 and life scout in 1964.

He has served as patrol leader, troop scribe, troop quartermaster, patrol leader at the national jamboree at Valley Forge, Pa., in 1964 and assistant patrol leader at the Camp Sunken conservation camp last August. After a year of study and work under the guidance of Rev. Surbey, he was presented the God and Country Award in 1964. Preceding Monday's ceremony, the brotherhood held a short meeting, with President Richard Bauer presiding and Elmer Stille leading the devotion.

NEW EAGLE SCOUT Robert Bunselmeyer is shown at court of honor ceremonies Monday night. From left to right: the Scoutmaster, Louis Labory of Troop Three, Bunselmeyer and his parents Mr. and Mrs. Donald Bunselmeyer.

## KATHLEEN HOLMES Attends Girls State

Kathleen Holmes, 2419 Bromley avenue, has been selected as a delegate to the 26th annual Illinois Girls State to be held June 21-28 at MacMurray College, Jacksonville, by Tri-City American Legion Auxiliary Unit 113.

A junior at Granite City high school, she was chosen on the basis of leadership, dependability, honesty and scholarship by her teachers.

Illini Girls State provides citizenship training for high school girls. The girls will study government in action. Kathy is vice-president of the junior class, co-chairman for the spring prom, vice-president of Gamma Tau Tri-Hi-Y, vice-president of the district Methodist Youth Fellowship, and a member of Red Peppers, Kappa Kappa Gamma, Student Council, Latin Club, the Junior Classical League and the Granite High League staff.

Chosen as the alternate delegate was Judith Winfield, 1945 Bremen avenue.

## Oletha Buckels Crowned Miss Madison of 1966

Oletha Buckels, daughter of Mrs. Vashette Buckels, 81 Lee Wright Homes, Venice, was crowned as Miss Madison of 1966 during 10th annual pageant ceremonies at the Dunbar school gym.

She is a senior at Madison high school and was crowned by Miss Linda Crawford, retiring queen.

A reception and dance was held after the coronation at the Madison civic center, and a parade in her honor was held on Saturday.

Others in the court were Every Boyd, Diane Shackelford, Carolyn Byrd, Gussie Tyus, Carmen Terrel, Jeannette Jackson, Mary Franklin and Ann Jenson.

The program was planned by Mrs. Hilda James, Norvell Woolfork, Mrs. Josephine Fletcher, Bernard Long and Mrs. Rosie Parnell, president of the Dunbar PTA which sponsored the event.

## Lecture on Arts Tonight

## Education, Fitness Stressed by Musso At VHS Program

George Musso, Madison county treasurer and a member of the football hall of fame, stressed the advantages of education and the importance of physical fitness at a reception for Venice high school seniors held by the Venice Women's Club Monday night in the school cafeteria.

Musso, who was principal speaker, also discussed his sports career as a member of the Chicago Bears. Another feature was a tragedy presented by Mr. and Mrs. Harry Johnson of Madison who showed films of countries they have toured. They exhibited souvenirs and costumes which were modeled by high school students.

The models were Barbara Kutz, Christine Glasper, Glenda Brown, Charline Dumas, Pauline Dillon, Judy Austin, Stephanie Gardner, Barbara Alford, Donna Dollar and Gary Callender.

## Others in Program

Others participating in the program were John Pier, school superintendent; Louis Sabin, principal; Robert Hendrickson, class sponsor; Jesse Hall, class president; and Mrs. Madonna Greshong, of the Women's club. Class members are Terry Cooper, Andrew Darden, Delores Day, Charles Dollar, Ernestine Foster, Mildred Fries, Larry Gardner, Little Glover, Ella Graham, Gwendolyn Hall, Jesse Hall, Edgar Hoult, Richard Jackson, Bernice Koelker, Sharon Koonce, Ralph Madison, Barbara Manier, Edgar Mathews, Barbara Mullik, Jerome McGlone, Norma Nash, Judy Reidelberger, Linda Sel-

## Hay Ride Planned by Rock Young Men's Club

The Rock Young Men's Club planned a hay ride for Saturday at Grand Marais state park during a meeting Tuesday night at the Moose Lodge. Terry Moore, internal vice-president, was in charge.

Plans also were made for a tour of the Chevrolet plant in St. Louis on May 31. Members discussed church attendance and a car wash. Cancer drive officials commended the club for its services in the recent campaign.

Club members again are selling "Dial-a-Ten" booklets listing phone numbers of high school students, along with fire extinguishers, as money-making projects for the month.

Gift boxes of monogrammed handkerchiefs are presented to the class. Ice cream, cake and soda were served from tables decorated for the graduation theme.

Club members serving on the committee were Mrs. Bertha Pace, Mrs. Martha Elgan, Mrs. Alice Milled, Mrs. Ruth Cawner, Mrs. Josephine Johnnie, Mrs. Margaret Seibert, Mrs. Lisa Bauer, Mrs. Jack Cawner, Mrs. Rhona Byrnes and Mrs. Viola Edmiston.

During this nine weeks of training, Hazlewood learned to operate teletype sets and other communications equipment. The 29-year-old soldier entered the Army last November and completed basic training at Fort Leonard Wood, Mo. He was graduated from Granite City high school in 1965.

# Madison Salute to be Held Tonight

Santa Claus, "Easter bunnies," spring flowers and a June bridal party will illustrate "Seasons in Song," a public salute to the city of Madison for its 75th Diamond Jubilee. Celebration to be presented at 7:30 this evening, in the Madison high school gymnasium.

More than 700 students from the second grades through high school levels from Harris and Louis Baer elementary schools and the Madison senior high school will be the featured performers. The show is under the

direction of Mrs. Valerie K. Stevens, Madison schools vocal music instructor.

Complete with many colorful costumes depicting the various seasons of the year, tonight's grand finale will feature a patriotic theme, displaying the vocal talents of the entire ensemble. Soloists, quartets, trios and selections by high school and grade school choruses will be spotlighted in other sequences.

Members of the Venice-Madison American Legion Post 307

drill team will present the colors. Those assisting Mrs. Stevens with the production are Mrs. June Burdick, Mrs. Bernadine Wedner, Mrs. Nellie Burgess, Mrs. Josephine Rogenski, Mrs. Earl McLaughlin and Miss Gladys Vaughn, piano accompanist.

Tonight's event will initiate the extensive Madison jubilee celebration that will start Wednesday, June 29, and continue through the long Fourth of July weekend.

# Major Warehouse Facilities Planned at Tri-City Port

Bids on leases and operating contracts on three warehouses to be constructed in the near future have been called by the Tri-City Regional Port District as part of a multi-million dollar development program.

Deadline for submitting proposals on leases and contracts for operating the warehouses has been set for June 15. The proposed new structures will be located on a five-acre tract of land leased by the Port District on the east side of the Chain of Rocks canal levee and north of the district's present storage tanks at its harbor.

Cmdr. John Barron, manager of the Port, told the Press-Record that the warehouses will be built with funds obtained by a second revenue bond issue. Amount of the bond issue has not been determined pending completion of negotiations of contracts.

The Port District now has two potential clients for the proposed warehouses. The Port district itself will not operate the warehouses, but will negotiate a lease to an operator who, in turn, would manage and operate the facilities for Port district clients.

The three proposed warehouses will be structures of 65,000 square feet, 200,000 square feet and 300,000 square feet. All will be heated, will be equipped with sprinkling units and will have railroad and truck facilities as well as administrative offices.

Construction of the warehouses is one phase of new development now being planned for the Port. The district has announced plans for building additional docking facilities at the north end of the locks canal on a section of land included in the 9000-acre Industrial Park recently acquired by the Port.

The breakfast will honor the Most Worshipful Grand Master Myron K. Lingle of Springfield. Guests will include other officers and past Grand Masters of the Illinois Grand Lodge. It will be the only Grand Masters breakfast to be held in Illinois this year. Prior to the breakfast the group will assemble at 8 a.m. for a dedication worship service at St. Paul's United Church of Christ.

# Sherman Schewe's Firm Busy In California

A former Granite Cityan, Sherman Schewe, is meeting success in the operation of the Stemo Engineering & Manufacturing Co. at Redwood City, Calif.

Schewe, a son of Mrs. Harry F. McKay, 2648 1/2 Lincoln avenue, is a partner with three other men in the firm. "Our widest dream of success was nothing compared to the success we've achieved," Schewe commented.

The present volume of business being conducted by the firm was not expected to be reached for two years. It has been in operation since September, and because of the lack of space in the shop, it is necessary now to operate two crews. Next August, the firm will move into a new building with 600 square feet.

# 1942 GCHS GRAD

Schewe, a January 1942 graduate of Granite City high school, was enrolled in the machine shop there and after graduation, worked at American Steel Foundries. He enlisted in the Navy in the fall of 1942 and after boot training, he attended machinist school in the Pacific Theatre until the end of world war II.

In September 1955, he moved to California.

The present firm name of Stemo stems from the first initials of the four owners, Sherman Schewe, Ted Womack, Ernest Korte and Myron Lucaturo. With the exception of Korte, the other three are journeymen machinists. The firm now employs 12 in the shop. The initial investment of \$9000 has increased to \$20,000.

# Together in Detroit

The three working partners were fellow workers in a Detroit machine shop in which Schewe acquired an interest, and he was the first to leave for California. Schewe said he and his partners have the rapid, steady increase in business on a decision made when the firm was started—that they would hire only men who could match their own experience and pride of workmanship.

We pay up to \$5 per hour and offer our crew an opportunity to work 40 hours and our night crew a 38-hour week. Other shops in the area pay \$4.50 an hour," he explained.

Produce work, which is the manufacture of initial models from blueprints, forms the major part of the work by Stemo, assigned to it by industrial plants and research laboratories.

Practices are held on Mondays and Wednesdays and are designed to place the group on a par with the Madrigals. The boys taking part are David Cruse, Jerry Doyle, Terry Gage, Stan Hoffman, Paul Hopper, Dennis Jolly, Randy Legrie, Rick Meyer and George Wilkerson.

## Boat Excursion Will be June 2

Granite City high school will hold its annual boat excursion on the steamer Admiral on June 2. The boat will leave its St. Louis dock at 10:30 a.m. and return at 3:30 p.m. Buses will be available.

## Miss Lawana Deatherage Is Airlines School Grad

Miss Lawana Deatherage, daughter of Mrs. Mabel Deatherage of 3120 Maryville road, has been graduated from the Eastern Airlines ground hostess school in Miami, Fla. and has been assigned to St. Louis Airport. Eastern's ground hostesses have a great variety of information at their fingertips for answering questions, giving guidance and solving problems for passengers arriving or departing at the airport. Miss Deatherage was graduated from Granite City high school and prior to becoming a ground hostess, she was a stewardess for Eastern.

CHARLES POLLEY

## Chas. Polley Advances To Eagle Scout Rank

An Eagle Scout court of honor was held recently for Charles Polley, a B.M. and Mrs. Herbert E. Polley, 4134 North drive, president of Explorer Post 23 sponsored by the Nameoki township board of auditors. The elder Polley is a member of the town board.

Glenn Ashoff led the pledge to the flag. Color bearers were Steve Jones, pack 98; Danny Kreher, troop 23; and Larry McCabe, post 23. Scouting history was delivered by Jake Gettleman, Benie Pickler, Willard Hicks and Floyd Ashoff. Polley joined Cub Pack 23 in 1956 and advanced through the ranks. He received the Order of the Arrow last fall at Camp Sannen. He is a senior at Granite City high school. A reception and dedication, and Eagle followed the ceremony.

William S. Weber, institutional representative, gave the welcome address to about 125 persons after 3 p.m. Rev. Gail Cross, pastor of the Nameoki Presbyterian Church, gave the invocation and dedication, and Eagle followed the ceremony.

## Sadie Hawkins Day

## Dance on Friday

## At Venice High

By JUDY REIDELBERGER

The Venice high school Student Council will sponsor the last dance of the school year, a sock hop, at 7 p.m. Friday in the new gym.

It will be a "Sadie Hawkins" type dance, with girls taking the boys. Student Council members will leave on the midnight train Friday for Chicago where they will spend all day Saturday touring the city. They will return at about 11 p.m. Saturday. Chaparones will be Mr. and Mrs. Ronald Ganschietz.

## Student to be Chosen For Leadership Trip

One of four girls will be selected by the Granite City high school history department to represent the school at the annual Southern Illinois University Youth World Leadership training program Aug. 14-19. They are Elizabeth McDonald, Jayne Duggeroff, Delores Hula and Tessie Becker. Featured will be a mock United Nations Assembly, work and study groups and social activities.

The trip is being sponsored by the Quad-City Business & Professional Woman's Club which has sent a student to each of the past four seminars.

## Youth Focus

### 'Y' Junior High Program to Extend During Summer

The YMCA junior high school program, which is continuing to grow, will be extended through the summer, it was announced today.

Club meetings will be held during the week in the air-conditioned club rooms, with activities coordinated with the Junior High Council.

New clubs organized last month include a Tri-Hi-Y club for girls at Prather junior high school. Officers are Donna Kris, president; Carolyn Hunt, vice-president; Rodia Hunt, secretary; Joyce Hopkins, treasurer; Vickie Catterson, chaplain; and Shirley Sutton, sergeant-at-arms. Other members are Beverly Ezell and Debbie Huckleberry. Pi Beta Kappa, which had disbanded, again is meeting each Saturday with two new advisers, Mrs. Marsha Bushue and Carol Delaney. Officers are Darla Walton, president; Lana Eamhardt, vice-president; April Holmes, secretary; Sandy Ramsey, treasurer; Nancy Vaughn, chaplain; Patty Brule, sergeant-at-arms; and Kris Epperson, historian.

Members are Sue Hogan, Cheri Felchlin, Jeri Wilkinson, Georgia Peppers, Connie Rotter, Susan Chandra, Debbie Scaturro, Janice Albers, Marian Sullivan, Pat Pinegar, Cindy Wolf, Kathy Yates, Janet Kearn, Diane Glidewell, Betty Hanfelder, Nancy Gitcho and Denise Madrid.

A new Hi-Y boys club which meets with Dave Williams is the Blue Knights. Members are Rick Talley, Dan Rapoff, Bob Greenwell, Frank Clark, Bill Schooley, Denny Parker, Ron Simpson, Mike Painter, Barry Trotts, Duane Sheenwell, Gary Perrod, Kevin McCoy, Jeff Homyer, Kevin Kent, Kenny Kent, Ron Tinker, Dan Such, Ray Miller and Tom Hollis.

### SIU Convocation Set For Honors Students

More than 400 Southern Illinois University students will be honored for outstanding academic records at the annual Honors Day convocation next Wednesday at Carbondale.

The convocation, open to the public, is scheduled for 7:30 p.m. in the SIU Arena. Speaker will be Robert Hill, dean of the school of business.

Parents of students to be honored will be extended written invitations to the program, according to George Bracewell, convocations chairman. Special invitations also will be extended to the students.

Those honored at the annual event include freshmen and sophomores with grade point averages of 4.5 or better and juniors and seniors with averages of 4.25 or better (based on 5.0 as the equivalent to straight "A").

Also to be cited are students named to various honor societies and several special scholarship and award recipients.

The Honors Day convocation will be followed by a reception at which parents and friends of students honored will have an opportunity to meet faculty members from the various departments.

### Honored at Lindenwood

Linda Froemling, a daughter of Mr. and Mrs. Albert Froemling, 61 Oaklawn drive, was among Lindenwood College students who were recognized for their academic achievement at an Honors Day convocation on the campus in St. Charles, Mo. She is a freshman majoring in music education.

## Roman Royalty Crowned At GC Latin Banquet

Norma Throne and Steve Hamilton reigned over the traditional banquet held by Latin classes at Granite City high school. They were crowned as Augustus and Augusta.

Featured were togas, slaves and exotic dancers, with the banquet served by "slaves." Entertainment was provided by class members. The Scepters, student band, played.

Prizes for originality in costumes were presented to Paul Hoffman, Steve Sless, Mike Mayes, Marleen Schwen, Dimitrina Stamboldjev and Vicki Couch.

Committee chairmen were Norma Throne, Dimitrina Stamboldjev, Stephanie Deatherage, Janet Segar, Linda Paul and Richard Kirkman. Miss Mildred Ilfrig was in charge of arrangements.

GCHS ART STUDENTS, Dennis Roderick (left) and Douglas Wickham, put finishing touches to 24 brilliant-colored litter containers which were placed in Granite City's downtown business district, and suburban shopping centers this week. The project, undertaken by the GCHS art department, serves to remind Quad-Cityans of the "Paint up, Clean up, Fix up" campaign now in progress.

## Travelers to Play At YMCA Event

The Travelers, a combo composed of Prather junior high school students, will play during the weekly junior high school program Saturday at the YMCA.

The band will play from noon to 4 p.m. Mrs. Bonnie Philp, director, is in charge.

## GCHS May Day Program Tonight and Friday

The annual May Day program at Granite City high school will be held at 8:15 p.m. today and Friday in the school auditorium. The theme is "Portraits on Parade."

John Stroehde will be crowned as the May Day queen during opening ceremonies. The retiring queen is Janet Reader. Members of the court are Phyllis Bell and Karen Randall, first attendants; Sandra Carlie and Linda Koezer, second attendants; Douglas Tamey, crown bearer; Donna Bausch and Lisa King, flower girls; and Sheila Jones, Maybelle Lee and Linda Sabo, pages.

Girls' physical education classes will present a variety of dances and acts.

## Student Council Plans Car Wash for Saturday

The Student Council at Granite City high school will hold a car wash from 8 a.m. to 6 p.m. Saturday at the Nameoki Standard service station, Nameoki and Fellows roads.

Funds will be used for a picnic for council members. Tickets may be purchased from members at \$1.50.

## Two GCHS Students Given Business Honors

Elmer Wortham and Nelda Lancaster have been selected as the outstanding business students by the business department at Granite City high school. They were honored at a luncheon at the Southern Illinois University-Southwestern Campus where they were presented certificates of accomplishment and given a conducted tour of the new campus.

Nelda is a member of GAA, Advanced Leadership and the National Honor Society. Elmer is a member of the Lettermen's club. He plans to attend SIU-SW Campus to major in business.

## Spring Trips, Picnics Planned by GCHS Clubs

Plans for spring trips and picnics have been made by organizations at Granite City high school. The German Club will visit Forest Park and the Art Museum in St. Louis Saturday, traveling by bus. Future Homemakers will travel to Black River Lodge in Missouri on Friday through Sunday next week, with 18 girls selected to attend.

Advanced Leadership will go to Trout Lodge near Potosi, Mo., on the same days, also traveling by bus. The Student Council and the Russian Club are planning picnics.

to SIU for his ceramic lamp. The scholarship was awarded by the SIU School of Technology. Other division winners and their entries included: Bruce Evans, an eighth grader at Coolidge Junior high school, Granite City, general metals, a pair of metal drum sticks; Gary Broadway, Wood-River high school, machined metals, a raveli roller; Gary Sorgia, Wood-River high school, graphic arts, printed poster; Robert Lawrence, Johnson City high school, drafting, colored "vulnerable" illustration; John Ebel, Johnson City high school, electricity, laser light; and David J. Nance, Calico high school, wood, a cradle.

**Clubs Project**  
A class project by students at Granite City high school was awarded top prize in the open division. Their entry was an eight-inch wood jointer. All projects received ratings of outstanding, superior or honorable mention in the SIU exhibit are eligible for entry in the 1966 state exhibit.

The jointer was built by a GCIS vocational machine shop group composed of Ron Money-maker, Robert Young, Dennis Rapp, Kenneth Boner, Don Shewey, Randy Hildreth, James Muller, Galen Patterson, Thomas Medford, Bob Hordecky and Dale Greenman. It was rated as outstanding.

GCIS students rated superior were David L. Cuppett, Dennis E. Hays and Kenneth R. Williams drawings; Neil Bailey and David Newberry, electromagnet; and Keith Burke, fidelity amplifier.

GCIS regional honorable mention winners were Linda L. Lancaster, Michael H. Mueller, drawing, and James L. Fuller, electric heater.

**4 for High Winners**  
Winning junior high school entries from Granite City were as follows:

Outstanding, Central school; Clifford Hunt, riveting hammer; Larry Miller, piano vanity lamp; and jewel boxes; James Monroe, wood and metal pottholder; and Clifford Weaver, hand woodworking service tray.

Superior, Central — Geoffrey Abbing, wood and metal lamp; Eugene Hominski, plastic switch plate; Kurt Glahn, plastic salt and pepper shaker; Ron Howard, plastic salad spoon and fork; Rick Leiko, plastic letter opener; Dennis Meyer, plastic candy dish; and Brad Smith, wood and metal wall plaque (fish).  
Superior, Coolidge: Bruce Evans, metal drum sticks; and Thomas Greco, plastic coin purse.  
Superior, Prather — Hiram Abbing, art metal candleholder.

## Spring Festival Events Told for SIU-SW Campus

Southern Illinois University-Southwestern Campus will hold its annual Spring Festival on Friday and Saturday in conjunction with dedication ceremonies at the new campus.

A triquetra race will be held at 2 p.m. Friday on the hairpin drive under the sponsorship of Alpha Phi Omega fraternity.

An awards recognition will be held on the dedication stage at 7:30 p.m. Friday. Those recognized will be new members of the Sphinx Club and students who have served on the Student Senate, the University Center Board and the Program Council.

The DKT variety show will follow at 8 p.m. Student groups have been setting booths in the basement halls of Lowry library this week.

Activities will resume at 11 a.m. Saturday on the campus lake. Alpha Phi Omega will sponsor various games at 2 p.m., including a faculty-student softball game.

Boat races will be held at 4:30 p.m., to include five races with 10 canoes in each race. Each race will carry a team of two persons.

The first race will be for male students, the third for male and female partners, the fourth for

## Masque, Gavel Returns From Tour of New York

Thirty-one members of Masque & Gavel at Granite City high school returned Sunday from the chapter's annual trip to New York City.

The group, which left by bus the previous Monday, saw three plays, "The Royal Hunt of the Sun," "Man of La Mancha" and "You Can't Take It With You." They also performed at St. Hilda and St. High school, an Episcopal school there.

In addition, they took a boat trip of the harbor, visited the United Nations building and dined in famous New York restaurants. A group of about five spotted Mrs. Jacqueline Kennedy on the streets.

The students financed the trip by selling more than \$400 worth of candy during the school year. They were accompanied by Richard King and Mrs. Sonya Anderson of the faculty.

The chapter is to hold its 25th anniversary banquet at 6 p.m. Tuesday in the school cafeteria, King announced.

## Named to Society Post

Gayle Schneider, daughter of Francis D. Schneider, 336 Bradley avenue, has been elected secretary-treasurer of the American Chemical Society student affiliate chapter at Denison University, Granville, Ohio, where she is a sophomore. She is a graduate of Alton high school.

### Deadline Monday for Voter Registration

Quad-Cityans who must register or make required corrections in their current registration status have only through Monday to do so if they wish to vote in the approaching June 14 primary election.

The registration books will be closed by the office of Miss Eulalia Hotz, Madison county clerk, at the end of office hours, Monday, the deadline set by state law.

New registrations or corrections may be made by Quad-City voters with any one of ten special permanent deputy registrars in the area instead of making a trip to the county clerk's office. As another special convenience, two more special registration periods are scheduled this week-end in the Quad-City area for registration purposes.

These will be conducted Saturday at Anchorage Homes from 10 a.m. to 7 p.m., and at the

### Area Vocal Talent to Bid For State Honors at Fair

A Calvalcade of Music talent contest, the winner of which will represent the Quad-City area on the Calvalcade of Music program at the Illinois State Fair in Aurora, will be presented in the Granite City high school on June 12, beginning at 2 p.m.

The program will be arranged, directed and presented by Mrs. Mary Joyce, 2945 Madison avenue, operator of the Mar-Kay Record Co. and professional entertainer who also will be master of ceremonies for the televising of the State Fair musical program.

The talent contest program will include presentation of seven selections of vocal music by Quad-City area residents. A panel of judges will choose the best selection which will be sent to the State Fair program. The winner of the state contest will be presented with a trophy by Governor Otto Kerner and appear with such celebrities as the Beach Boys, Sam the Sham and the Pharaohs.

Mrs. Joyce said all applicants have been auditioned for the program at the high school, and those selected are highly talented as vocalists.

As master of ceremonies at the State Fair program, Mrs. Joyce will arrange and direct the presentation of musical talent from all parts of the state, which will be televised throughout Fair Week.

Admission to the Granite City high school program will be by donation. Proceeds will be used for expenses for the winners to attend the State Fair events.

### Battery Charge Filed Against Man by Landlady

A charge of aggravated battery was filed against Keith Harris, 33, of 1814 State street, Monday evening, on a complaint signed by Mrs. Maggie Watkins of the same address, his landlady.

She claimed he entered her apartment late Friday night, caused a disturbance and struck her. She was taken to St. Elizabeth Hospital with head injuries.

Harris pleaded innocent on the battery charge and was held on \$300 property bond or \$500 cash bail. He pleaded guilty to a disorderly conduct charge and was fined \$30 Tuesday.

### Harold Thomas To Head Special County Committee

Harold Thomas, special education director for Granite City schools, has been appointed to a seven-member special education advisory committee for Madison county. His appointment was announced Monday evening by Wm. R. L. Trimpe, county superintendent of schools, at a meeting of the advisory group in Edwardsville.

The new appointee replaces William A. Coyne, a former president of the Granite City Association for Aid to Retarded Children, who resigned due to being transferred from this area to Toledo, O. Employed by Norfolk and Western Railroad, Coyne, a railroad safety man here, will become head trainmaster at the Toledo terminal.

Thomas has been in the field of special education since 1946, when he was appointed to organize the local school system's first overall educational program for the handicapped. Prior to that time, he was principal of Logan elementary school and had additional qualifications in counseling work.

Formation of the new county advisory committee is the initial step toward implementing the new Illinois special education law, which requires counties to submit a plan for all local school districts to a state advisory board before July 1, 1967.

Proposals prepared by the committee will recommend guidelines for special education programs in each of the 15 school districts in Madison county.

The plan will provide for special training classes for physically handicapped, maladjusted, educable mentally handicapped, trainable mentally handicapped, speech and hearing defective and blind children.

In addition to the advisory committee, ten special education professional and a d-consultative sub-committee have been appointed by Trimpe.

## Doctors Showing Interest In Locating in Quad-Cities

Interest is being shown by nine or 10 doctors, including general practitioners and surgeons in locating in the Quad-Cities area, it was reported Monday afternoon during a meeting of the lay advisory board for St. Elizabeth Hospital.

The hospital board and other related organizations are endeavoring to bring the doctors here to alleviate the shortage of physicians. It was stressed the need exists, and there are adequate office facilities.

Members of the advisory board, the hospital and medical staffs have been working for several years to get additional doctors for the Quad-Cities, and the hospital's medical staff recently relaxed its by-law restriction which requires residency.

Sister Mary Thomas reported that contributions to the Dr. Irvin Wiesman Memorial for establishment of an additional unit at the hospital now totals \$1700.

She indicated the unit with 12 beds could be available by July, provided proper equipment is ac-

quired and personnel is trained. In event the unit is not ready by July, it should be in operation by September, it was reported. Courses for nurses will be available at Belleville Junior College.

Through the unit, to be set up in the third floor solarium and the two west-most rooms on the east side of the 2100 block of 12th St., the extra beds will be needed when the Medicare program starts in July. Sister Mary Thomas commented.

**Expansion Planning**  
Members of the advisory board gave their approval to a recommendation by the board's Planning committee for the employment of Dr. Anthony J. J. Joseph, hospital consultant, and Joseph D. Stanshik, architect, for the hospital's proposed 20-year, multi-million dollar expansion and modernization program.

The hospital recently acquired three pieces of property on the east side of the 2100 block of 12th St., where a large parking lot is being planned, since it is to be located on the present hospital site.

## Mayor Partney Names City Hall Employee

Mrs. Irma Harriet, 2010 West Madison street, was appointed mayor for the city hall during a special meeting of the city council Tuesday night.

The appointment was made by Mayor Partney and confirmed by the aldermen. She succeeds Mrs. Mata Meyer, who retired May 1.

## GCHS Scheduling To Be Automated Starting in Fall

The Granite City school board decided Monday night to again have high school grade scheduling handled by the McDonnell Automation Center, and to extend automation to GCHS class scheduling.

"Total cost of the contract for grade reporting in 1966-67 will be \$482, based on 7700 second semester and 2700 the second semester," Supt. Russell D. Johnson told the board.

"We would also like to go in to machine scheduling, and this will cost us an additional \$2160 for the year."

Permission was given to the administration to secure forms necessary for use in collection of rental book fees and insurance premiums. Cost will be \$650 for 1966-67, dropping to less than \$100 a year after the initial expense, Supt. Johnson estimated.

**Eight New Teachers**  
The board hired eight teachers, effective with the start of the fall term Aug. 29:

Mrs. Peggy Ann Ballard, 4021 Maryville road, 1966 SIU bachelor degree, Maryville second grade; Mrs. Shirley Lynn McCoy, Belleville, 1966 SIU bachelor degree, first grade assignment; Mrs. Nancy McMichael, 2437 Roney drive, Central Methodist College bachelor degree and four years of teaching experience, also a Maryville second grade class; Mrs. Kathleen Wohneberg, Carbondale, SIU bachelor degree, Longwood second grade; Miss Rose Marie Colby, Newport, Ill., Marycrest bachelor degree, Prather junior high school home economics; Dave Steffen, Blairtown, N. J., Florida State Bachelor degree and one year of experience, junior high remedial reading; Miss Martha E. McIntyre, Coulterville, Ill., 1966 SIU bachelor degree, junior high remedial reading; and Mrs. Mary Ellen Johnson, East Alton, University of Missouri bachelor degree, GCHS English and journalism.

**Transfers to U. S. Projects**  
Supt. Johnson announced plans to transfer three teachers to federally financed Granite City school programs.

Mrs. Myra Blades, a Webster second grade instructor, will be assigned to Project Liftoff (grade school remedial reading and supplemental instruction).

Miss Harriet Byrd, Maryville first grade teacher, and Mrs. Carol Hornback, Maryville fourth grade teacher, will be transferred to Project Canyon (junior high level remedial reading).

**Violin Teaching Program**  
The board authorized Administrative Assistant Bob J. Davis to seek an \$8700 federal grant for a six-month feasibility study of "Project Bows and Strings," a proposed new and innovative method of teaching the violin to grade school pupils.

A Southern Illinois University-Southwestern campus professor who developed the method would participate, and Granite City might become the national center for the program. Financing would be under Title III of the U. S. Elementary and Secondary Education Act, Davis said.

Resignations effective with the end of the current term June 3 were accepted from Kenneth Webber, St. Louis, Prather junior high school, and Delmar

## Sternberg Gives Keynote Talk at OI Meet in Texas

G. H. Sternberg, local contractor, alderman and an official representative of Optimist International to the district convention of south-central Texas, is in Austin, Tex., today to deliver the keynote address.

He and Mrs. Sternberg will be in Austin through Saturday. Sternberg, who is past president of the local chapter of Optimist International, currently is chairman of the international finance committee.

Local school art instructor, Miss Leona Culver, 2711 Center street, Central home economics teacher, who has accepted a position with the Cobb county schools, Mableton, Ga.; and Mrs. Karen Galbraith, Emerson fifth and sixth grades teacher, who is moving to DuQuoin, Ill.

A May 10-June 3 leave of absence was granted to Mrs. Alene Reeves, 2161 Benton street, a Coolidge junior high mathematics teacher.

**Painter Hired**  
Supt. Johnson was authorized to fill a vacancy in a painter position on the school district maintenance staff.

Further study is planned on his recommendation of a proposed position hiring a policy: "Painters employed by Community Unit School District Nine must be members of Painters Local 120. They must be residents of this school district, and the sequence of their employment will be based on the dates of their application. Applications to remain active must be renewed annually."

Board Member Daniel Linder noted that such a policy could create a "closed shop" for painters.

## Pre-Natal Course to Begin May 17 at Local Hospital

The summer session of Pre-natal Classes for expectant parents of the area will open Tuesday, May 17 at 7:30 p.m. Mrs. Alberta Roney, supervisor of the obstetrical service at St. Elizabeth Hospital, will present the classes which will explain conception, birth and care of the baby.

There will be four classes in the summer session. They will be held on May 17, 24, 31 and June 7. There is no charge and no pre-registration is necessary. Both father and mother of the expected child are invited. Arrangements to attend the classes may be made by telephoning TR 6-820, Station 314, the education department at St. Elizabeth Hospital.

## Sharp Decline In GC Township Relief Cases

Granite City's relief cases dropped sharply during April, believed to be a result of improvement in the weather and calls by industries for unskilled workers. It was reported this week by Supervisor Nelson Hagauer.

During the past month, the relief office closed 40 cases and handled 18 new or reopened cases. In April, there were 75 cases with 184 persons and the costs amounted to \$393. In March, the totals were 97 cases, 283 persons and \$530.

In April 1965, the township relief office had 96 cases with 242 persons and the costs were \$597. Total relief costs during the current fiscal year now amount to \$925, compared to \$13,335 in the same period last year.

## Family 'Hobo' Night For Masons Saturday

The annual family night of Masonic Lodge 877 will be held at 7:30 p.m. Saturday at the Masonic Temple, featuring a hobo theme and special entertainment by Dr. Wendell Hansen and his performing tropical birds.

Grover Brannan, senior warden of the lodge, is chairman of entertainment, and Peter Stalcoff, a pastmaster, will be master of ceremonies.

Music will be furnished by a combo, and the several hundred persons expected to attend are to be garbed in hobo costumes. Prizes will be awarded.

## Eligible Persons May Still Enroll in Medicare

Ralph Brasher, district manager of the East St. Louis Social Security office said today that there are still many eligible persons who have not enrolled for "Medicare." To get the benefits provided by the supplementary medical insurance portion of "Medicare," they must enroll by May 31, 1966. "We believe," Brasher said, "that those who have not enrolled might not understand the program, or they might, because of their age be unable to visit a social security office."

Brasher urged that everyone should check with his relatives, friends, acquaintances, neighbors, and co-workers who are age 65 or over to see if they have signed up for "Medicare."

"If you find someone unable to go out of the house notify the Social Security Office, and a field man will call on the person at home."

"Just about everybody 65 or over can qualify for 'Medicare,'" he continued. "People still working, people who have never worked under social security, even people who do not now have a social security number, can become eligible for 'Medicare' benefits. People not currently on

the Social Security or Railroad Retirement rolls must file an application, however, in order to qualify."

The May 31st deadline is quite important to anyone who was age 65 on or before Jan. 1 of this year.

"June 1 will be too late to enroll for Supplementary Medical Insurance. The Supplementary Medical Insurance part of 'Medicare' covers primarily doctor and surgeon bills, but also includes a variety of other medical services not covered by the basic hospital insurance plan. This part of the 'Medicare' Plan will be financed by premiums of \$3 per month from the enrolled person to be matched by \$3 from the federal government," the official explained.

"Anyone who still has questions about Medicare should get in touch with the Social Security Office," Brasher concluded. "We are anxious to make sure that everyone who is eligible makes an informed decision about 'Medicare' and that they make it before May 31."

The phone numbers for the East St. Louis Social Security Office are BR 4-2200 and EXpress 7-5530.

## Census Bureau Plans Survey On Moonlighting

Development of nationwide information on persons holding more than one job and getting premium pay for overtime is the objective of special questions to be asked in this area during the Census Bureau's Current Population Survey to be conducted in the week of May 15.

In making the announcement, Director Theodore Olson of the bureau's regional office in Chicago, said the questions on overtime pay and dual jobs will supplement the regular survey questions asked monthly to gauge the national labor situation for the Bureau of Labor Statistics, U. S. Department of Labor. The questions are asked in 357 sample areas of the United States.

Persons holding more than one job will be asked to describe their secondary jobs and to tell the number of hours worked on each job. Wage and salary workers with only one job but with more than 40 hours of work weekly will be asked about the

## Brownie Troop 738 Tours Press-Record

Brownie Troop 738, sponsored by Frohardt school Parent-Teacher Association, toured the Press-Record facilities Monday afternoon. The girls were accompanied by their leaders, Mrs. Patricia Winters and Mrs. Mabel Parker, who were assisted by Winona Corzilius and Mrs. Rose Beckert.

The group was escorted by Paul Halbert of the Press-Record advertising staff, who described various functions of the news and advertising departments, shop operations and engraving procedures.

Brownies making the tour included Donna Parker, Debbie Meyer, Debbie Melton, Maria McGarvey, Kim Kitchen, Lynn Fehrman, Alice Miller, Laurie Corcoran, Mary Jo Conreux, Connie Corzilius, Karen Stawar, Janis Beckert, Carolyn and Dawn Wallace, Bernice and Sheila Harmon, Lori Winters and Beth Mobley. Guests were Becky Corzilius and Jeff Winters.

premium pay and the regularity of overtime.

Wage and salary workers with half the sample households will be asked the amount they usually earn at their primary jobs.

## JCs Begin Search for Miss GC Contestants

Dr. E. L. Strotheide and Edward Gonyea, co-chairmen of the entries committee for the 1966 Miss Granite City Pageant, to be held at the GCIS auditorium June 25, said today the Granite City Jaycees have begun their search for a group of representative local beauties to participate in this year's beauty-talent contest.

The co-chairmen are asking local residents who know a personable, attractive and talented young woman to nominate her to the committee as a possible contestant in the pageant.

Those nominated by friends, or prospective candidates who return the entry form published elsewhere in today's issue, will be personally contacted by Jaycee representatives.

To be eligible for the Miss Granite City Pageant, contestants must be between the ages of 18 and 28 on Sept. 1, 1966. She must be a high school graduate by the same date and never have been married.

Candidates are required to possess talent, either trained or potential, which may include playing a musical instrument, dramatics, dress designing, singing, or any of the fine arts. If she wishes to pursue a professional career, such as nursing, a contestant may present a three-minute talk on her reasons for selecting such a career, or

## Surgical Course Grads Honored

Graduates of a surgical techniques course conducted at St. Elizabeth Hospital have been honored by the hospital with presentation of certificates at a brief ceremony, according to Sister Mary Thomas, hospital administrator.

Certificates were presented by Dr. W. W. Bowers, MD, co-chief of surgery, who also introduced M. A. Wittevrongel, administrative assistant for Vocational Education for Granite City schools, under whose supervision the surgical techniques course was held.

Father Godfrey, chaplain at the hospital, offered the invocation and benediction; and Sister Mary Paul, associate administrator of the hospital, thanked the students for their participation.

Mrs. Janet Williams, instructor of the course, bid her associates goodbye as she is leaving the hospital upon return of her husband, Capt. Roger Williams, MD, from Vietnam. Refreshments were served after the program.

Successful graduates included surgical technicians, Betty Hamilton, Pearl Jackson and Carole A. Richardson; surgical aides Helen Jewell Arico, Verneta Dowdy, Ina Melford, Zoric Motes, Vida Pierce, Helen Leon Stockton, Palma J. Sugg, and Annie Lee Thomas.

## Local Group Arranges Talk by Editor Canham

Ervin D. Canham, editor-in-chief of The Christian Science Monitor, an international daily newspaper published in Boston, will be speaker Friday evening, May 20, at 8:30 at Kiel Opera House in St. Louis.

Arrangements for the event have been made by the Christian Science churches of St. Louis and First Church of Christ, Scientist, Granite City as part of the Centennial of Christian Science.

One of the most distinguished journalists in America, Mr. Canham will speak on "The Spiritual Revolution." Admission is free.

A Rhodes Scholar who has served as president of both the American Society of Newspaper Editors and the United States Chamber of Commerce, and also as an alternate American delegate to the United Nations General Assembly, has present positions for service with a number of government commission, public institutions and corporations.

## IT'S NATIONAL MIND CHANGING MONTH

What's a mind-changer car for 1967? Any of our Rambler American, Rambler Classics, Marlin or Ambassadors. Why, we're so sure of these great '66's can change your way of thinking, we're betting \$5.00 on it!

Case in point: our 1966 Rambler American. The car that finished 1, 2 in class VI in acceleration in the Pure Oil Performance Trials at Daytona and then tucked off the best mileage of any car in the 1966 Mobil Economy Run! All this in the car that carries the lowest list-price tag of any car built in the U.S.

Want more? You must be over 21 and do two things: (1) Hear our "Quality built-in" story, (2) Take a test drive before May 31, 1966.

How can you lose? If you don't buy a '66 Ambassador, Marlin, Rambler Classic, or Rambler American - you get our \$5.00. Buy one and you get the deal of a lifetime (and we'll let you keep your \$5.00).

Anyone for mind-changing... this week?

\*Based on a comparison of manufacturers' list prices for 2-door models.

### Where to Store Honey

Do you keep honey in the refrigerator?

You shouldn't if it's extracted or comb honey. You should if it's been diluted. And it doesn't matter if the honey's been creamed.

Liquid honey or honeycombs keep best in covered containers at room temperature. The cover is necessary to keep in the aroma and flavor, and to keep out moisture and other odors.

If the honey has been diluted with water or other liquid, put a cover on the jar and store in the refrigerator. Like other thin sirups, it may ferment or mold if not kept cold.

Creamed honey may be stored at room temperature or in the refrigerator. Keep in the refrigerator if the room is very warm. The honey may partially liquefy if stored at too high a temperature.

### Don't Take Fabric Finish for Granted

Since most fabric finishes cannot be seen or felt, shoppers often take them for granted.

Many finishes, such as bleaching, are part of normal fabric production. However, some finishes change the natural characteristics of a fabric or the fiber from which it is made.

Cotton fabric normally absorbs water quickly. When such garments as raincoats are manufactured from cotton, they frequently receive a water-repellent finish. To be certain of such treatment check labels when shopping.

Many persons assume that water-repellent and waterproof finishes are the same. But there is a difference. When fabric is treated with a water repellent, it resists absorption. Water forms beads on the surface, rolling off as it accumulates. But water cannot pass through a fabric that has been waterproofed unless a hole has been created. Plastics and coated fabrics fit into this category.

In describing the differences between the two processes, remember that air can pass through waterproof ones. You may get wet in heavy or prolonged rain when wearing a water-repellent garment. But you may also be wet from unevaporated perspiration when wearing a waterproof garment. When air cannot pass through a fabric, neither can water vapor, and perspiration collects.

Today manufacturers seldom describe finishes as permanent. Very few finishes exist that are truly permanent or that are as efficient at the end of the life of the fabric as when the fabric was new. Durable is a more accurate word to describe many finishes that remain functional through a number of washings or dry cleanings. Many water repellents are of this type.

Some water repellents are renewable. Although dry cleaning or washing will remove the finish, a dry cleaner can reapply it. To be effective, water-repellent fabrics must be clean. However, detergents left on fabrics reduce the effectiveness of the finish, and thorough rinsing after laundering or dry cleaning is essential.

Water repellents resist water-borne stains as well as water. This group of stains includes fruit juices, soft drinks, coffee, tea and other liquids containing no oil. Special finishes have been developed to resist oil borne stains.
